### Project information

Empower is collaborating with the **Environmental Conservation Community of Tanzania (ECCT)** to incentivise and improve plastic waste pollution in Dar Es Salaam, Tanzania with local waste collectors.

### Partner organisation information

**ECCT** is a non-governmental organization registered in 2020 with the main goal and commitment of managing and conserving the environment in Tanzania's mainland, focusing on the coastal areas. ECCT envisions having a responsible community in conserving the environment. The organization's mission is to advocate environmental conservation activities to ensure sustainable living by engaging, informing, and inspiring communities to protect and manage the environment for sustainable development of the current and future generations. They are hosting monthly beach clean-ups in collaboration with Empower and other local cleanup organizations.

[ECCT's LinkedIn page.](#)
