Note: Double press the  button on either goSPKR to exit stereo mode

## WARNINGS

This device is designed and manufactured to operate within its defined design limits. Misuse may result in electric shock or fire. Read and follow these instructions carefully.

- Danger of explosion or fire if batteries are damaged. Never attempt to open the battery for any reason. Do not use the device if it has been crushed, pierced, or otherwise damaged in any way that could compromise the battery. Do not leave the speaker in any location with excessive heat including naked flames or near heat sources such as radiators and stoves. Do not expose the battery to spark, flame, or salt water.
- Do not charge or use around flammable gasses, liquids, or dust as fire or explosion may occur
- There are no user replaceable/reparable parts in the device. Disassembling it will void your warranty and may cause personal injury. Changes or modifications to this unit not expressly approved by MEE audio could void the user's authority to operate the equipment.
- Only use attachments/accessories specified by the manufacturer
- Keep the device and packaging out of the reach of children

## SAFETY & CARE

- Using speakers at high volumes for extended periods of time will result in permanent hearing damage. It is advised you keep volume levels moderate to low at all times for your safety.
- The lifetime of the battery will be significantly reduced if your speaker is not charged for a long time. It is recommended to charge your speaker at least once a month.
- Battery performance will be severely decreased when stored in extreme temperatures. Do not store the speaker in locations where temperatures may reach below  $-10^{\circ}\text{C}/14^{\circ}\text{F}$  or above  $40^{\circ}\text{C}/105^{\circ}\text{F}$ , including direct sunlight.
- Do not expose this product to rain or other moisture for an extended period of time. If submersed in water, do not turn the device on until completely dried. Note: liquid submersion voids the warranty.
- Do not use chemical cleaning sprays to clean this product. Only use a water-dampened cloth.
