

# Easter Printables

## Egg-tivity 1 - Build Your Own Bunny

### Instructions:

1. Colour and cut out the shapes
2. Glue them together to build your very own bunny
3. Stick each piece of the bunny to a fun, colourful background

## Egg-tivity 2 - Easter Egg DIY

### Instructions:

1. Cut out the paper egg box
2. Fold along all of the marked lines and use glue to assemble the box
3. After filling with small treats or gifts, tie the box and close it with ribbon

## Egg-tivity 3 - Handprint Bunnies

### Instructions:

1. Take a blank A4 size paper, place hands on it and trace it then cut it out
2. Fold down the thumb and baby finger towards the center to make arms for the bunny
3. Fold the middle finger to make a stand or cut off finger so you're left with two finger "bunny ears"
4. Use pens or markers to draw bunny face, ears and paws
