

# My Dad

My dad's name is...

How old is dad?

How tall is dad?

Dad always says...

Dad's favourite food is...

My dad good is at...

What is dad's job?

My message for dad

The best thing about dad is...

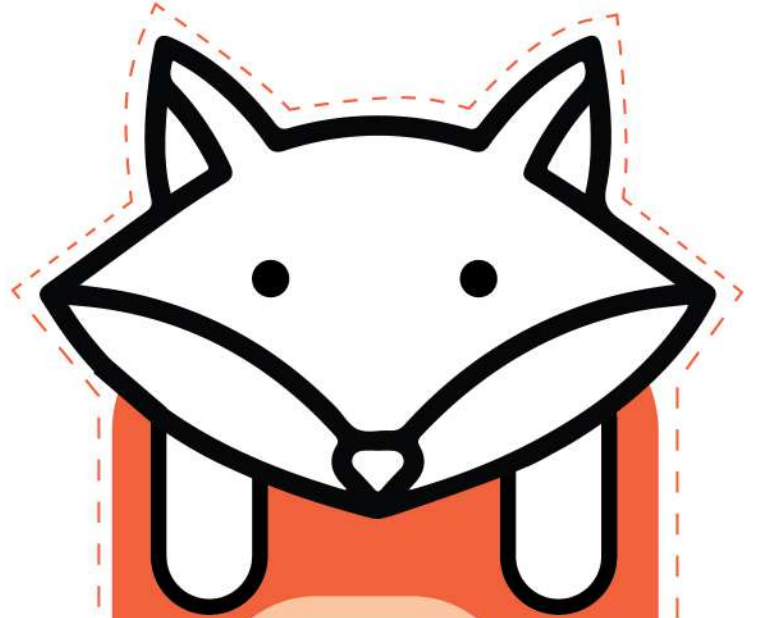

## Amazing Animal Dad Bookmarks

Celebrate Father's Day with these adorable DIY bookmarks! Colour the animals on top of these bookmarks and cut along the dotted lines to separate them. Optional: Laminate them so they last longer!

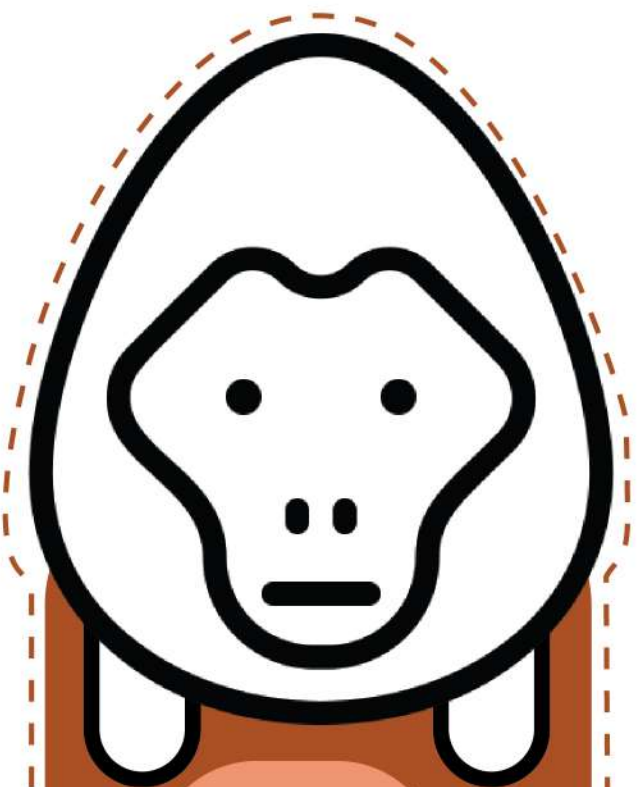

### Did you know?

With over 30 lionesses and cubs to protect, male lions unleash their fierce instincts to keep their family safe when threatened.

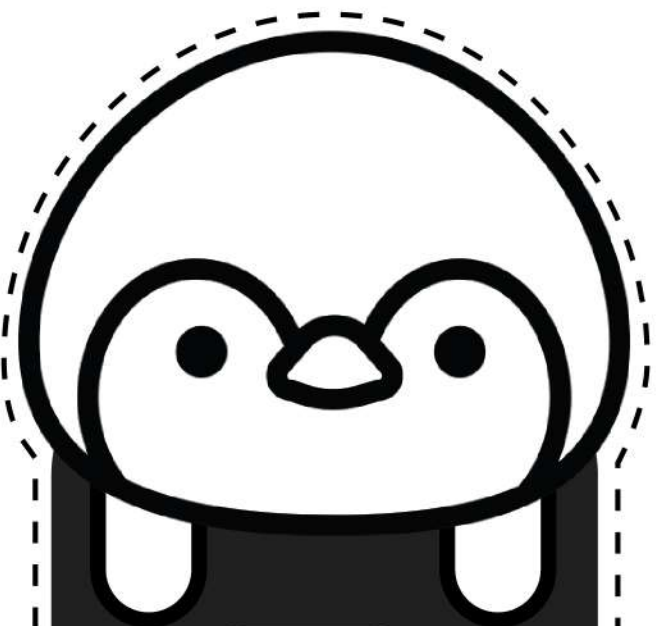

### Did you know?

Red fox dads stop feeding their pups at 3 months. In order to make sure that they still eat well, he buries food near the den, teaching them to hunt on their own.

## Did you know?

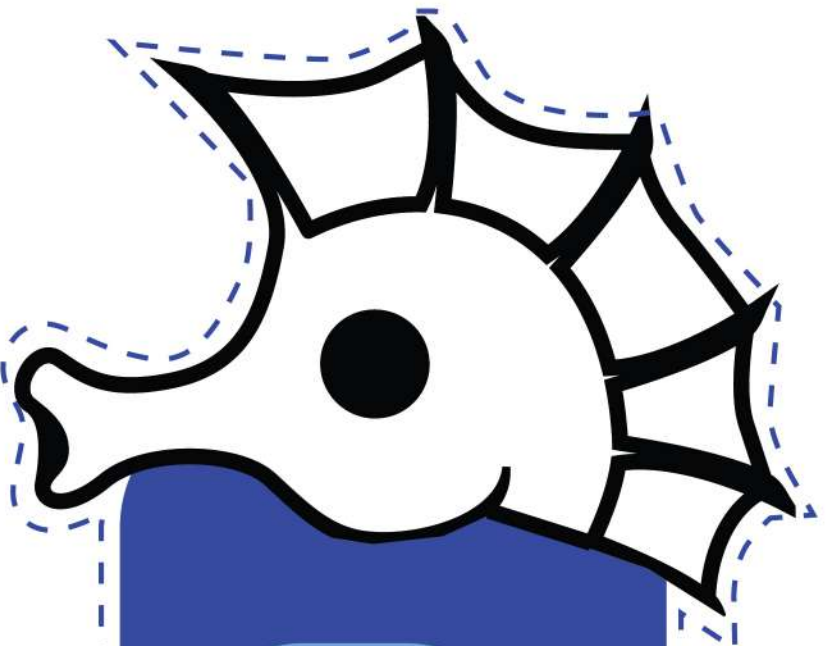

Gorilla dads are hands-on! They play, love, and settle sibling squabbles with their young until they're teens.

## Did you know?

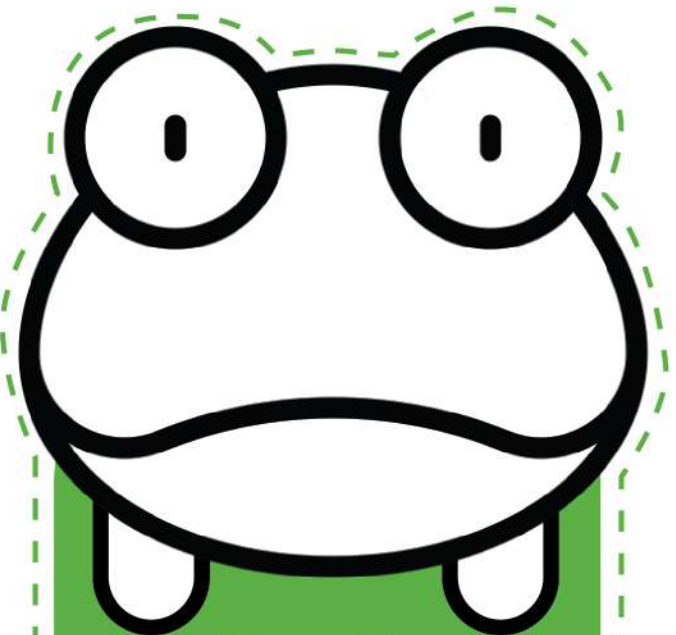

When the mom goes off to sea, Emperor Penguin dads balance the eggs on their feet, staying put for over 2 months without eating or moving.

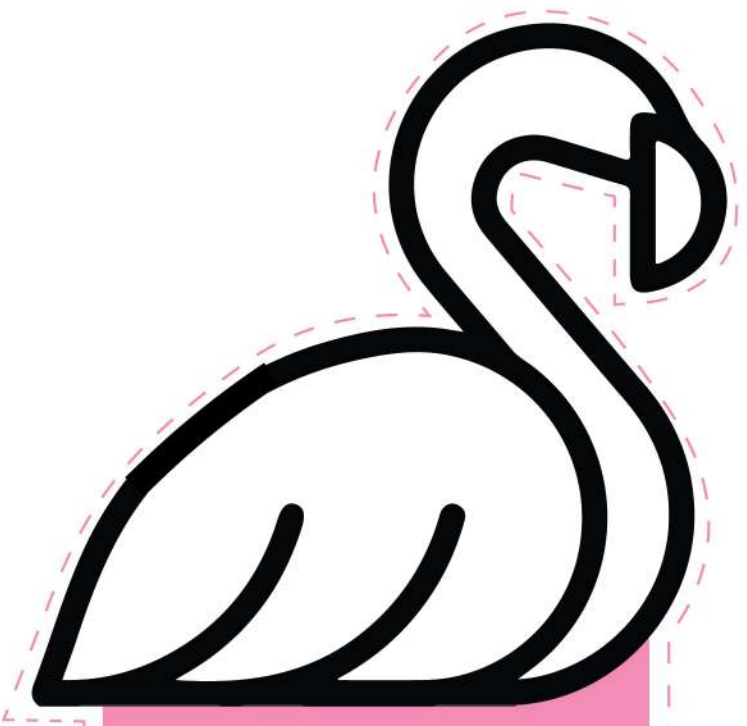

## Did you know?

In the world of seahorses, the dads carry the babies! They carry them in their pouch and keep them safe until they're ready to be born.

## Did you know?

When the eggs hatch, the cool papa frog carries the tadpoles in his pouch and takes care of them as they grow.

## Did you know?

Flamingo dads help out the moms in raising their chicks. Instead of dividing tasks, both of them take turns to make sure their chicks are taken care of.
