# Sticker Race Mania!

## You need:

1. Dot It! stickers from Skillmatics.
2. Standard number die.

## How to play?

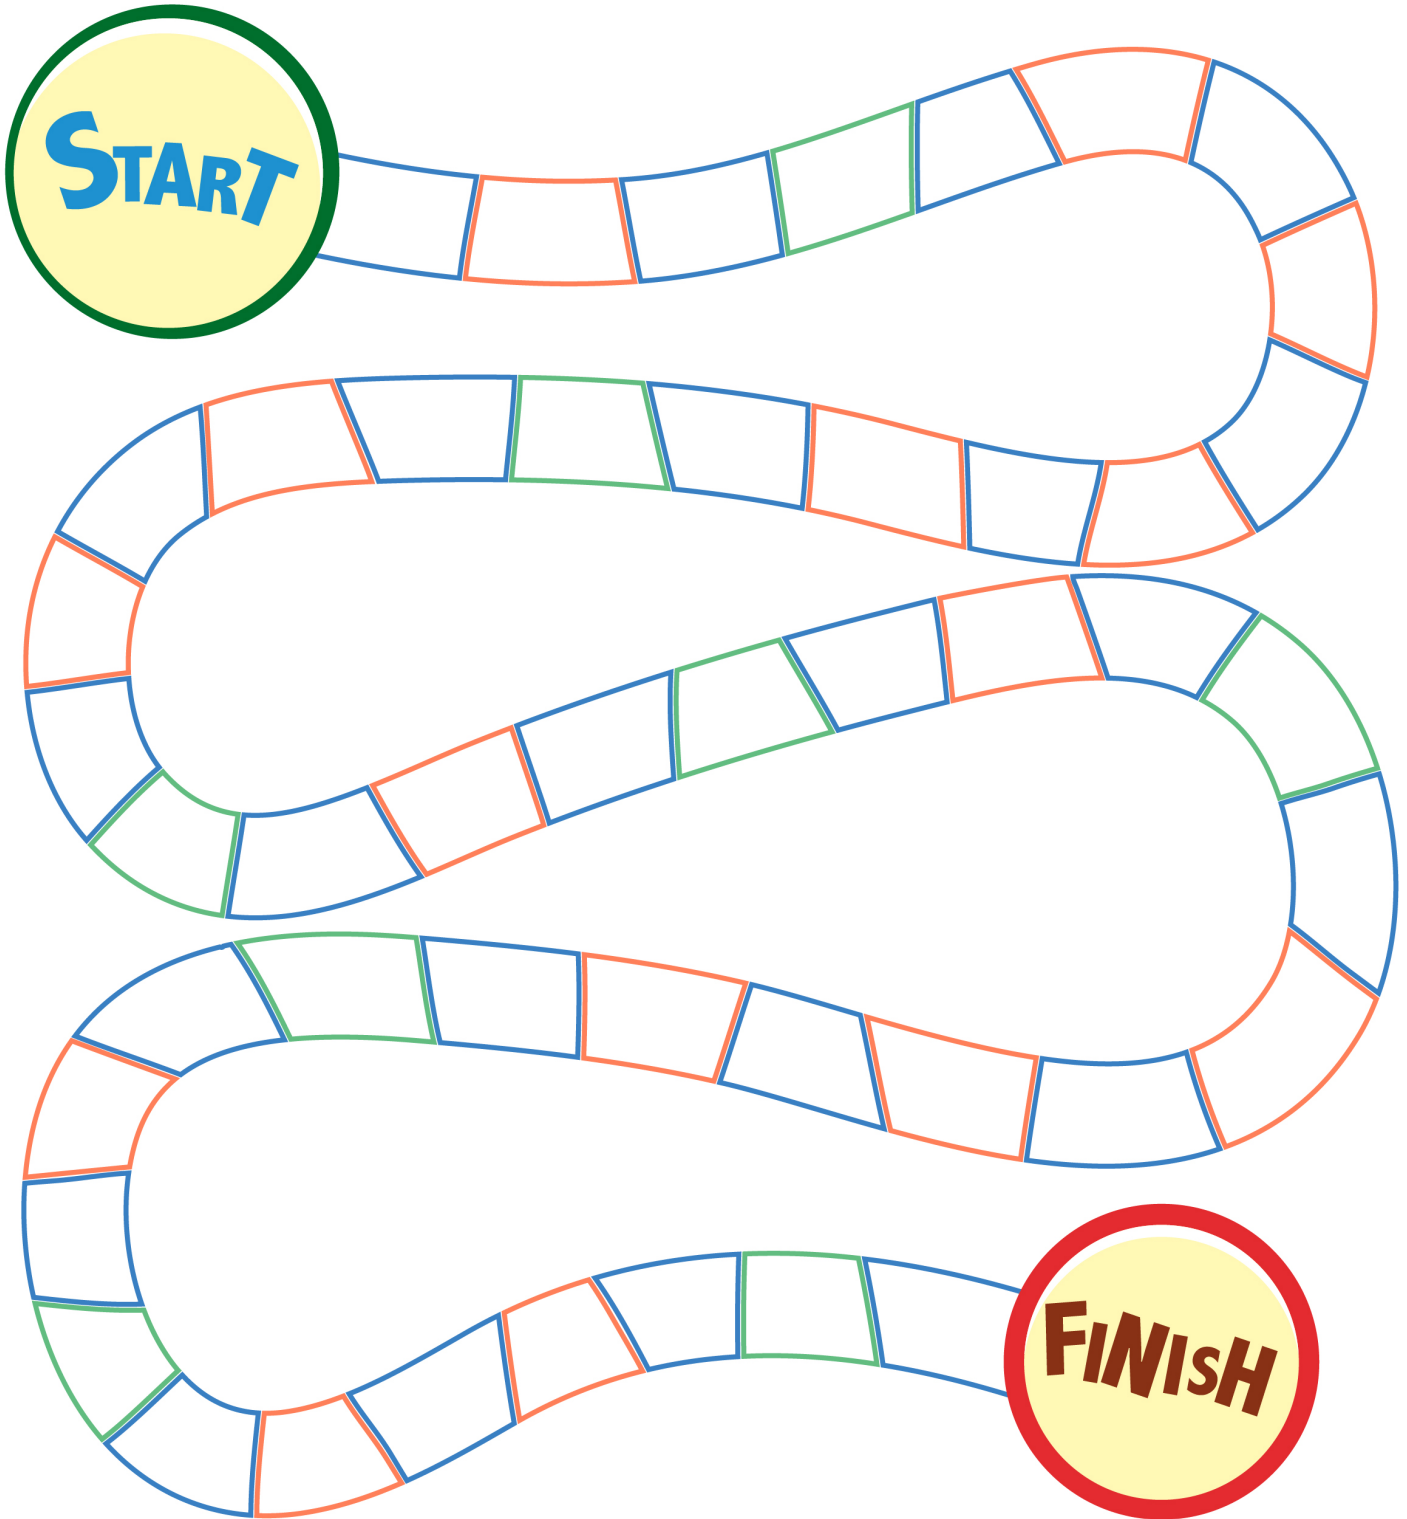

1. Choose your favourite colour from the sticker sheet.
2. Refer to page 2 to find the activity. Depending on the number of players, print enough copies of the sheet.
3. On your turn, roll the number die. Paste stickers in a row based on the number you get. The first one to get to the finish line wins the race!

# Who Knows You Best ?

## Sibling Edition

### You need:

1. A paper & pen to keep scores.
2. A bowl to put the questions.
3. Scissors to cut the questions from the activity sheet.

### How to play:

1. Print out the sheet on page 8 and cut out the question given and put them in a bowl. Note: This step should be done by an adult as it involves handling a sharp object.
2. Let the youngest sibling start the game. We recommend playing this with 2 or more people for fun.
3. Win a point by matching your answer with the player's answer. The player with the most points at the end of the game wins!

# Who Knows You Best ?

## Sibling Edition

If I could go anywhere in the world, where would I want to travel?

One animal I would like to be?

What is my favourite game to play?

what is my favourite memory together?

What do I want to be when I grow up?

What's the silliest thing that always makes me laugh ?

If I could have any superpower, what would it be?

Do I like pizza or pasta more?
