

CRAFTY PLOVEYDATE

Craftivity 1- DIY Greeting Cards

Make your own DIY Valentine's cards by using these templates.

How to make it?

- a) Print the template, and cut the cards
- b) Decorate the cards with Foil Fun stickers (optional)
- c) Write names in the blank space given in the template

Craftivity 2- Magic Motion

Capture the magic of love in motion by following these steps:

- a) Print and cut out the motion cards
- b) Use double sided tape to stick the two images back to back
- c) Insert your motion card into the cut slot on your straw
- d) Place the straw between your hands and rub your palms together to see love in motion!

Craftivity 3- Daily Love Dose

Get your daily love dose by following these steps:

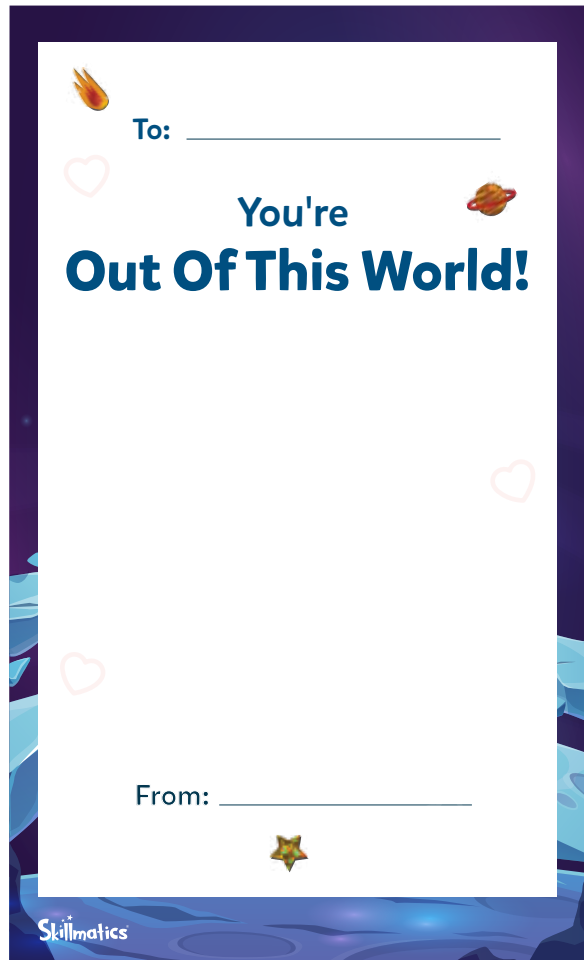

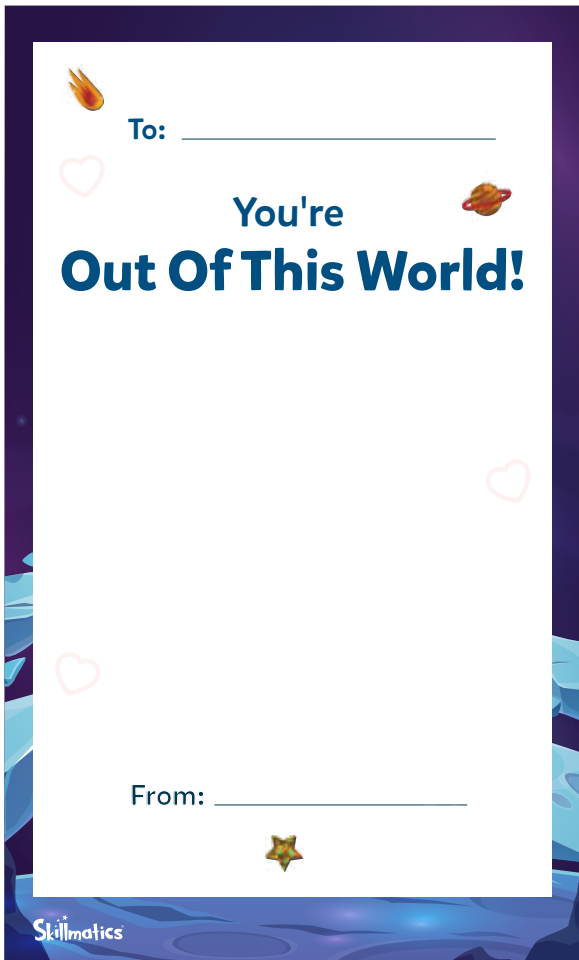

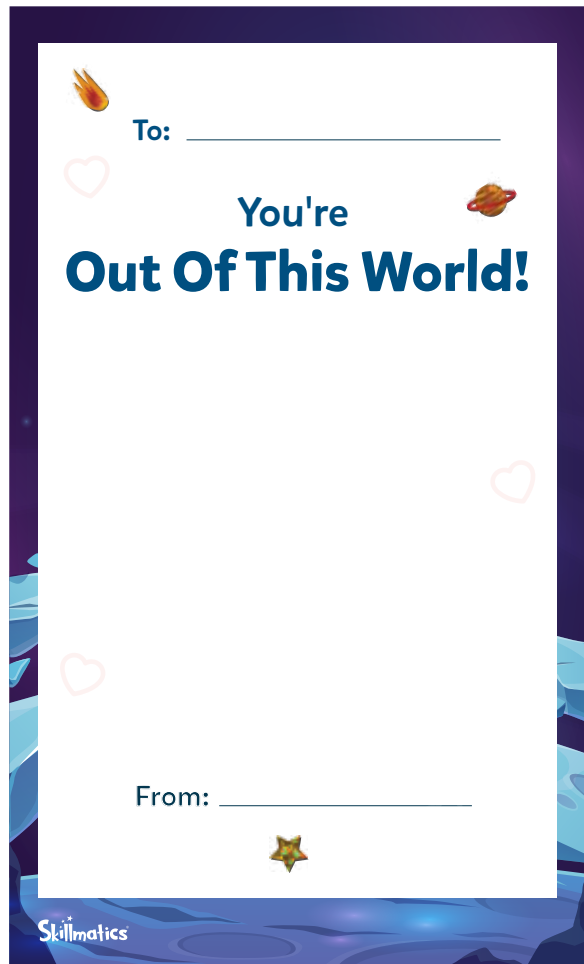

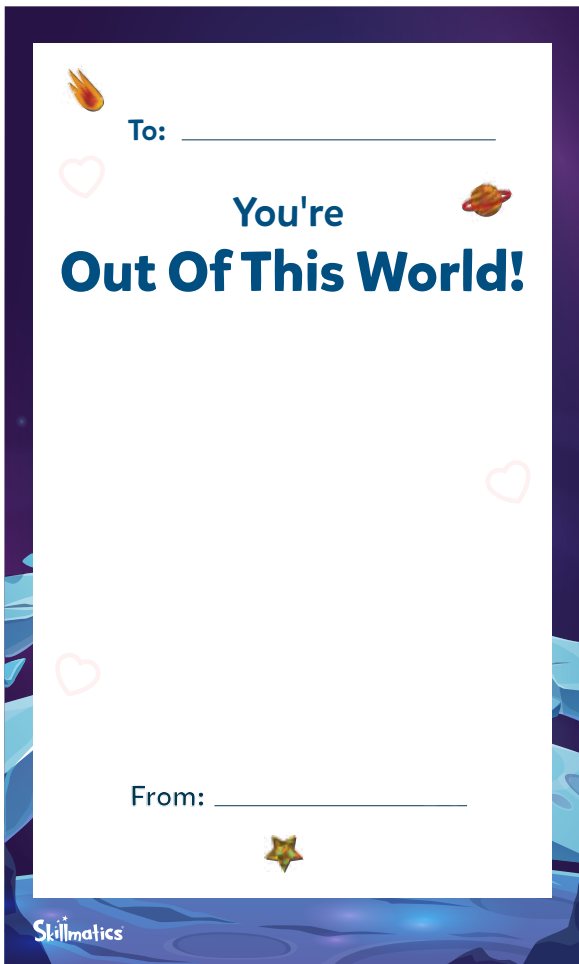

- a) Print and cut out the heart shaped cards
- b) Fill in the prompts
- c) Every day dedicate one card to your loved ones

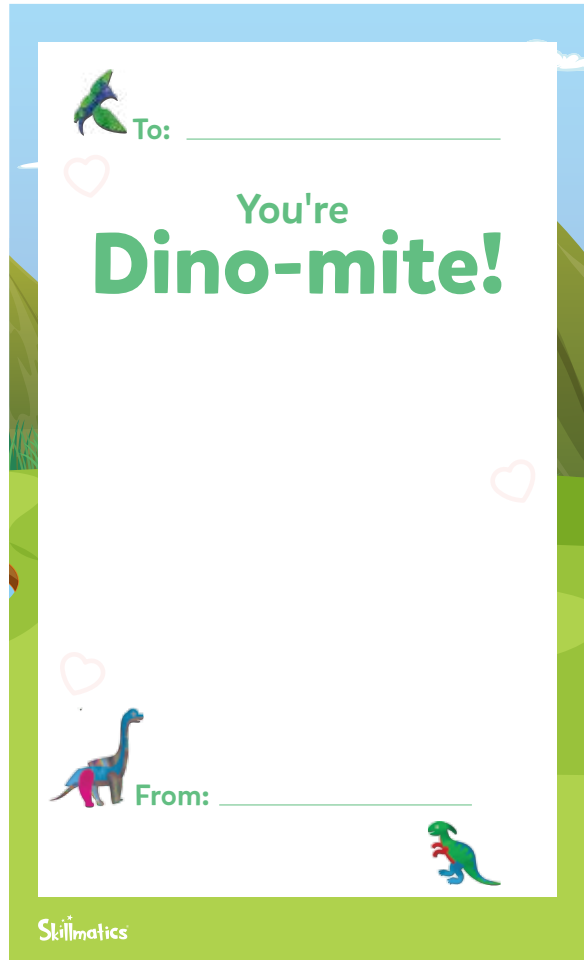

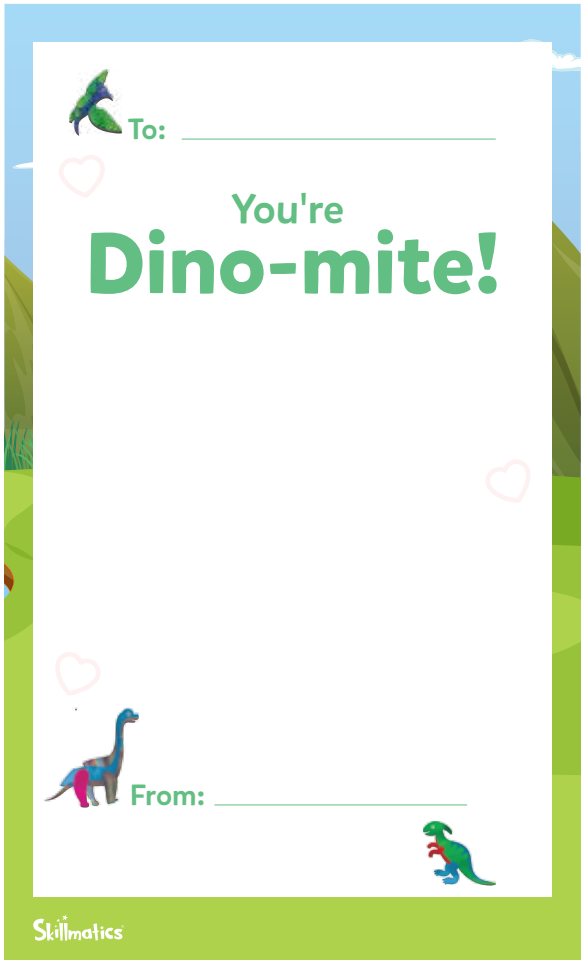

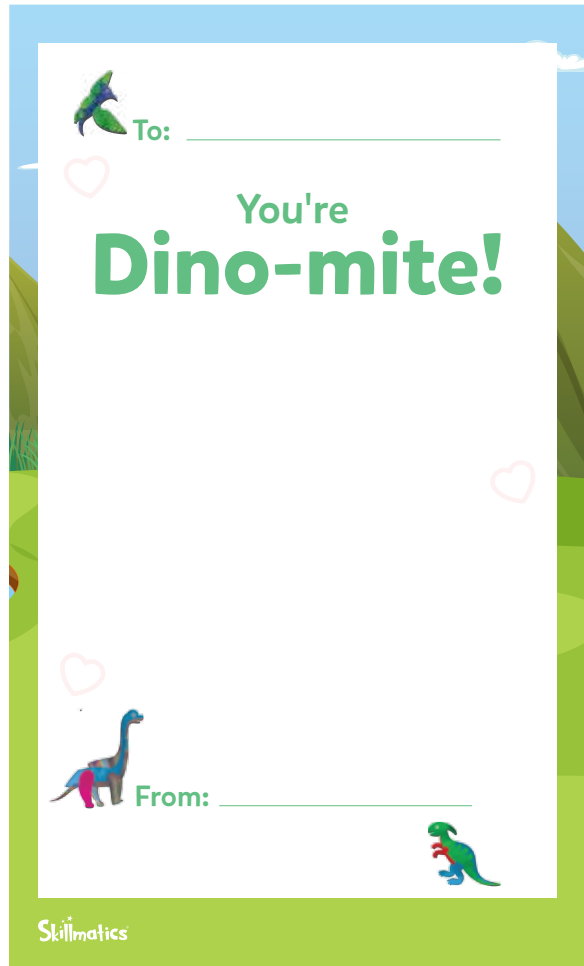

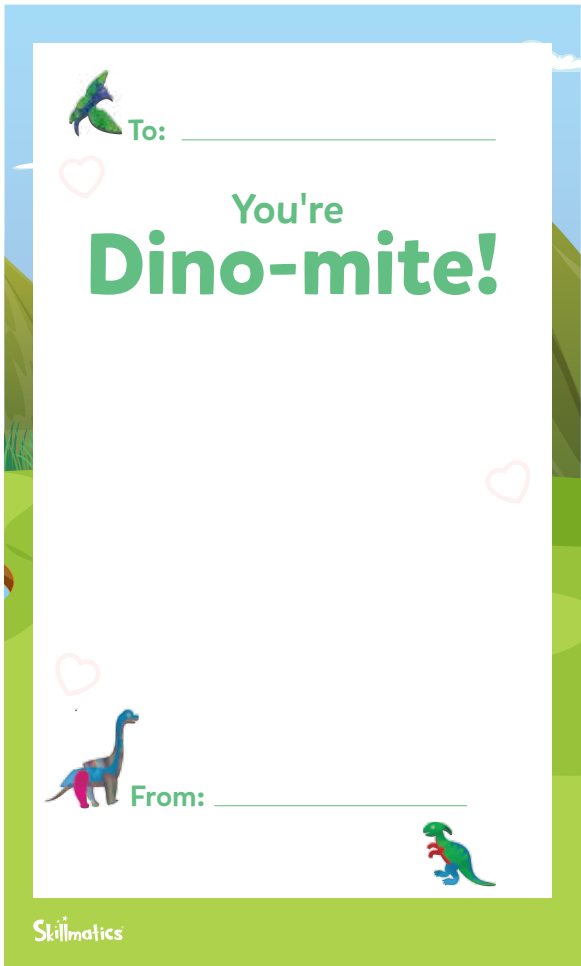

Craftivity 4- Cupid's Catch

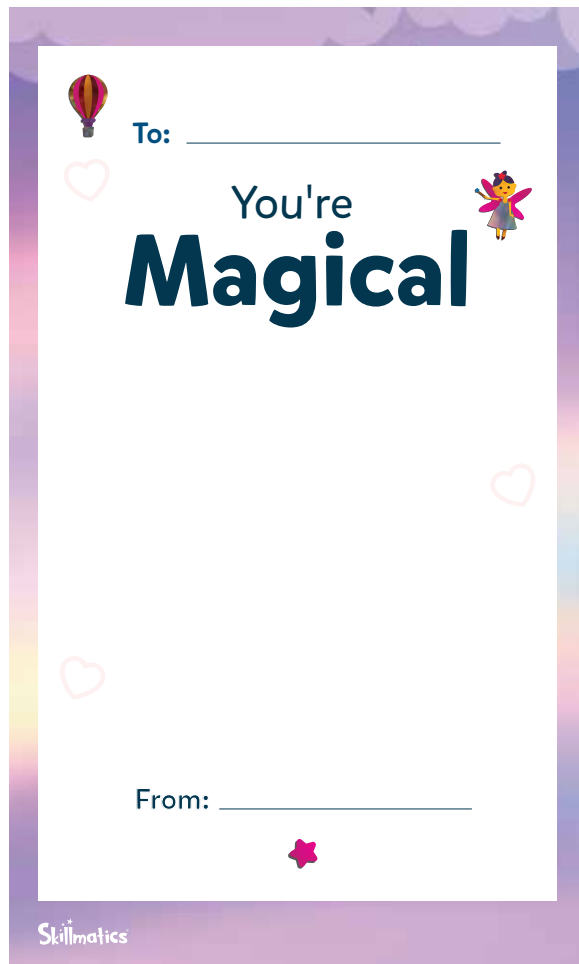

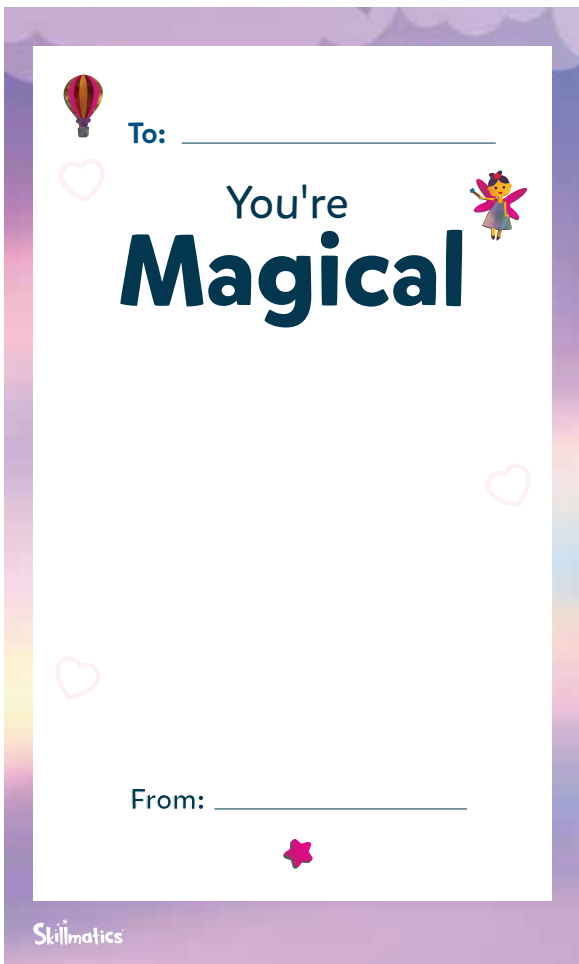

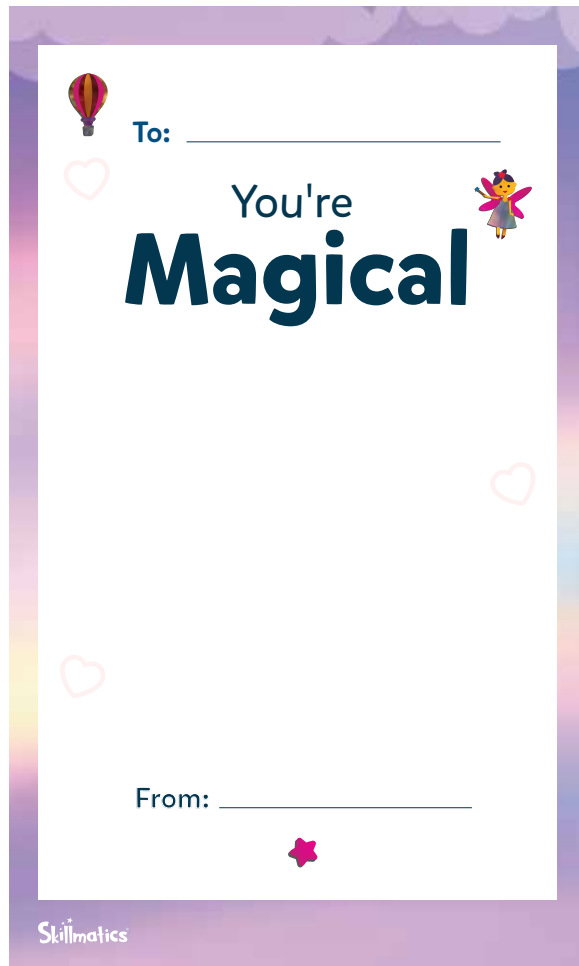

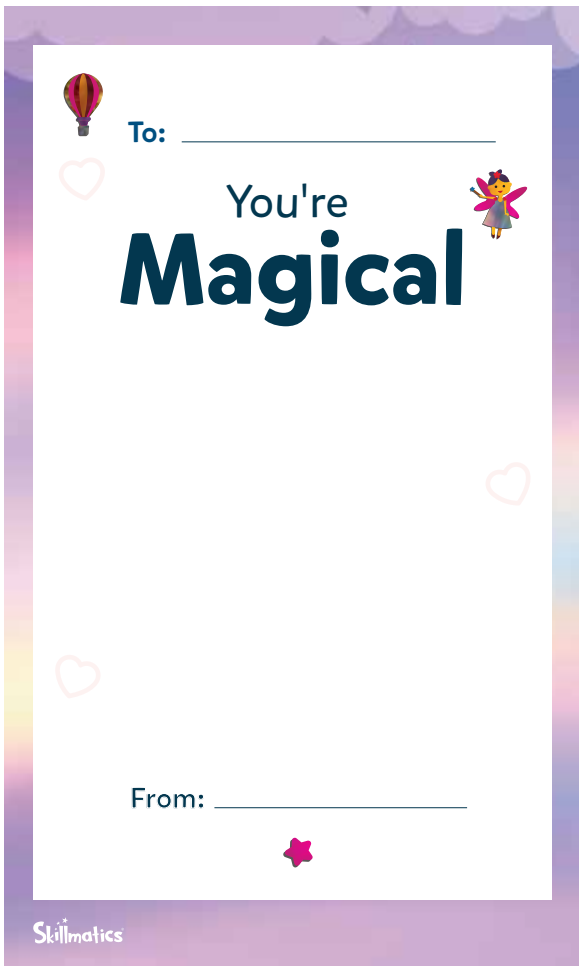

Craft a cupid catcher by the steps mentioned below:

- a) Print the catcher and cut it out
- b) Scan the QR code and fold it as shown in the video
- c) Start playing!

We both can

We both can

I love

I love

I will
