

Animal Cards

Ages 3+

3 ways to play

Animal Charades

- Cut out the animal cards below.
- On your turn, draw one card from the pile and place it on your forehead without peeking.
- Let the other players use characteristics like the sound the animal makes, what its baby is called, where it lives or what it eats to describe it!
- If you guess the animal correctly within 1 minute, you get to keep the card.

Safari Sorting

Sort the cutouts into wild, farm and underwater animals.

Animal Matching

- Print out two copies of the animal cards and cut them into squares
- Jumble them up and flip the squares face down
- Let your child turn over two at a time and use their memory as the game progresses to match the tiles correctly
