

EVENTS IN THE BARROWS

At the heart of CRIMPLE lies The Barrows, our dedicated events space, perfect for any occasion. Seating up to 100 people, and with a standing capacity of 150, plus a private, fully stocked bar, it's a blank canvas you can really make your own. From the vintage hanging lights to the disco ball, this space is one of Yorkshire's most impressive venues.

Our team of Chefs are on hand to create a menu bespoke to you; from canapes to pizzas to a three-course feast, they only use the best Yorkshire produce available in our Food Hall. We can cater to all tastes and budgets too!

The room opens out onto our beautiful, festoon lit garden; a stunning space that reminds you you're in the heart of the Yorkshire countryside overlooking the Crimble Valley.

Get in touch with our events team today to discuss your requirements. We are more than happy to tailor make your special event.
