

We've Been
Booed!

You've Been
Booed!

Since this is the time for goblins and bats, Halloween spirits, ghosts, and cats, weird happenings and witches brew, these are the things I wish for you:

May only the spirit you chance to meet be the spirit of love and warm friends. May the only goblin that comes your way be the phantom and goodies he sends.

Copy this note and make it two. You have only two days or a wicked spell will strike you! Then choose two friends or neighbors and a make a special treat that's yummy. Leave the treat on their doorstep and take off like a mummy!

Directions:

1. Enjoy your treats!
2. Copy this note and the "Booed" sign twice.
2. Color your "Boo" sign and hang it on your front door or in the window to ward off goblins!
3. Make two sets of special Halloween treats.
5. Deliver the notes and treats to two friends who have not yet been Booed!
