The RTS Tactical Apollo Riot Suppression Suit System is the ultimate multi-threat level riot control, domestic violence, and cell extraction suit.

This new system has a design that provides substantial protection from blunt force trauma while being lightweight and ranks one of the highest in easy to put on or take off at a moment's notice.

Created, designed, and manufactured by RTS Tactical The Apollo Riot Suppression Suite System was created to provide substantial protection from blunt force trauma without sacrificing fit or comfort.

The chest, shoulders, and back hard shell panels have a unique modular flex design allowing and ensuring all shapes and sizes fit comfortably without any sacrifice in mobility.

The forearm guard offers a much higher comfortable elbow portion of the pad, which allows an upgrade in flexibility. The knee/shin guard has a non-slip surface, which keeps you planted in position.
