Meet RTS Tactical's brand new Hero's Vest. This all-American vest is our most discreet, concealable, multi-threat resistant carrier yet. The USA made level IIIA+ soft armor will give you peace of mind when you answer the call to take up the fight.

RTS Tactical understands the needs and challenges of you, the operator and warfighter and the Hero's Vest was built for you. Our new Hero's vest was made primarily for Police and Law Enforcement, Security Guards and the average civilian who may operate in dangerous environments. The functional design provides the ideal balance of stealth, durability and all-day comfort.

While specifically designed to be worn under clothing, it can comfortably and effectively be worn over clothing as well.

The Hero's vest is constructed with the highest quality nylons and uses 100% USA made with Dupont™ Kevlar® Armor. For more peace of mind, the Hero's vest is backed by RTS Tactical's lifetime guarantee.

The level IIIA+ front and back armor panels provide full wrap-around protection. The armor is capable of stopping all common handgun rounds including .357 Magnum, .357SIG, 9mm, .40 S&W, 45ACP and 44 Magnum and .38 Special. It also stops most shotgun rounds including slugs, buckshot and other special threat rounds.
