

RTS TACTICAL RAPID DEPLOY MINI SHIELD CARRIER SYSTEM

Size:

Medium

Large

The sleek design of the RTS Tactical Mini-Shield Bag prioritizes accessibility, allowing quick and convenient deployment of the shield when needed.

Constructed from DWR (Durable Water Repellency) Hexagon ripstop material, further protects the shield from the elements, coupled with a design engineered to withstand the demands of tactical environments. This is enhanced by the use of heavily reinforced nylon thread in its construction.

Overall, the RTS Tactical bag serves as a reliable and practical solution for law enforcement, security personnel, or responsible armed citizens providing protection for their tactical shields in various scenarios. Enhancing portability with multiple carrying solutions, including reinforced shoulder straps made of high-density nylon and a side handle option, this bag stands out as the premier choice.

Let's not forget the handle, embroidered with the brand message we live by every day: "Be fearless."

FEATURES:

- Allows for one-man and two-man rapid deployment
- Made to protect both the shield and your gear from the shield
- Can be utilized either with backpack straps or with the sling strap included
