

# RTS TACTICAL SPIKE PROTECTION SOFT ARMOR

## SPK1 & SPK2

Certified Spike Protection | NIJ 0115.00 | Multi-Hit Defense

RTS Tactical SPK Soft Armor Panels are engineered for those on the front lines of correctional and detention environments. Certified to NIJ 0115.00, these panels deliver zero-penetration spike protection against improvised stabbing weapons — including shanks, spikes, and handmade threats.

Available in two threat levels, SPK1 and SPK2 provide unmatched flexibility, lightweight wearability, and confidence under pressure. Whether you're operating in close quarters or managing high-risk detainees, these panels are built to stop the unseen.
