

Pom Pom Llama

Content:

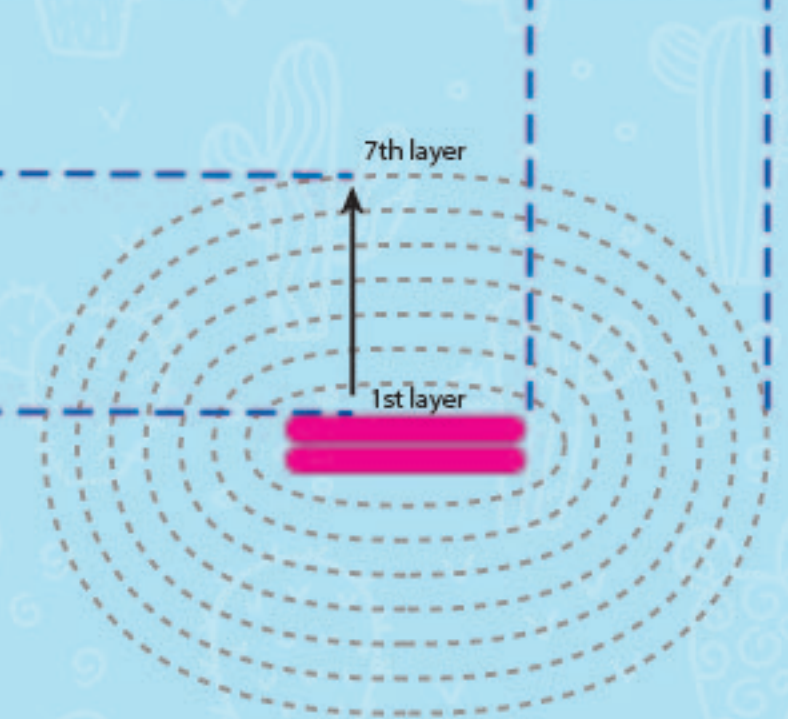

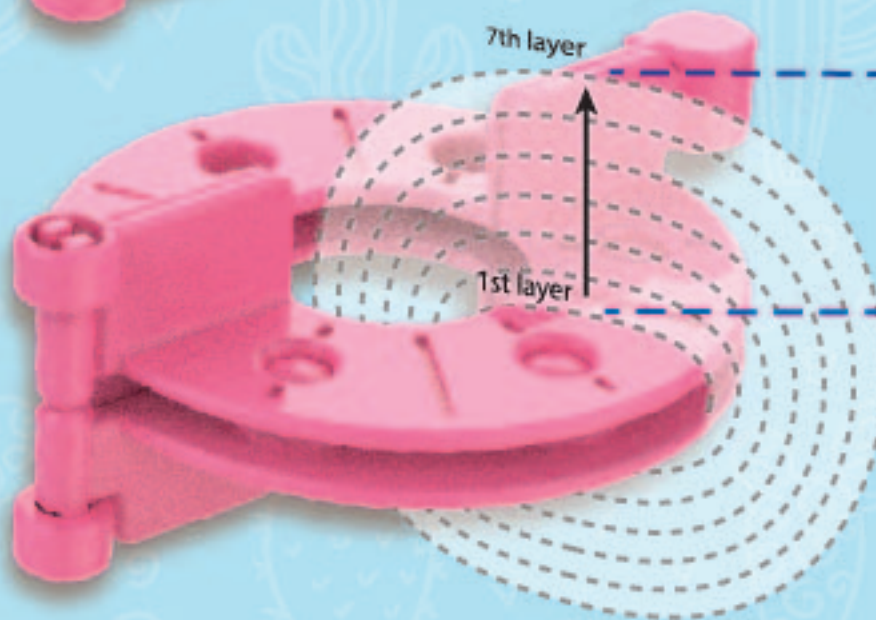

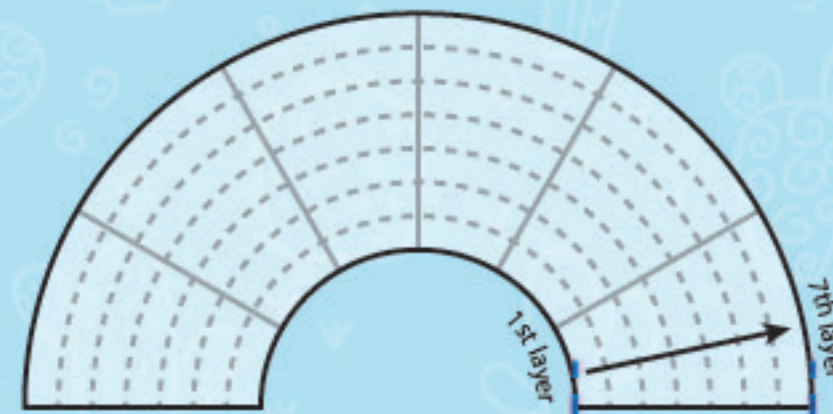

How to use the pompom maker:

1. Wrapping the half section of pom pom maker as ONE layer.

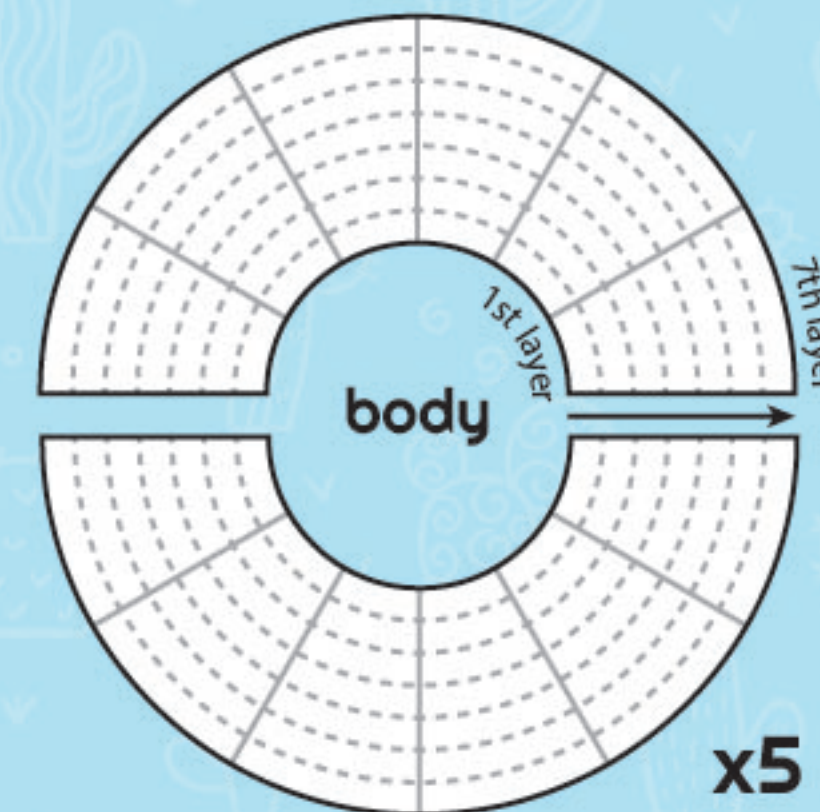

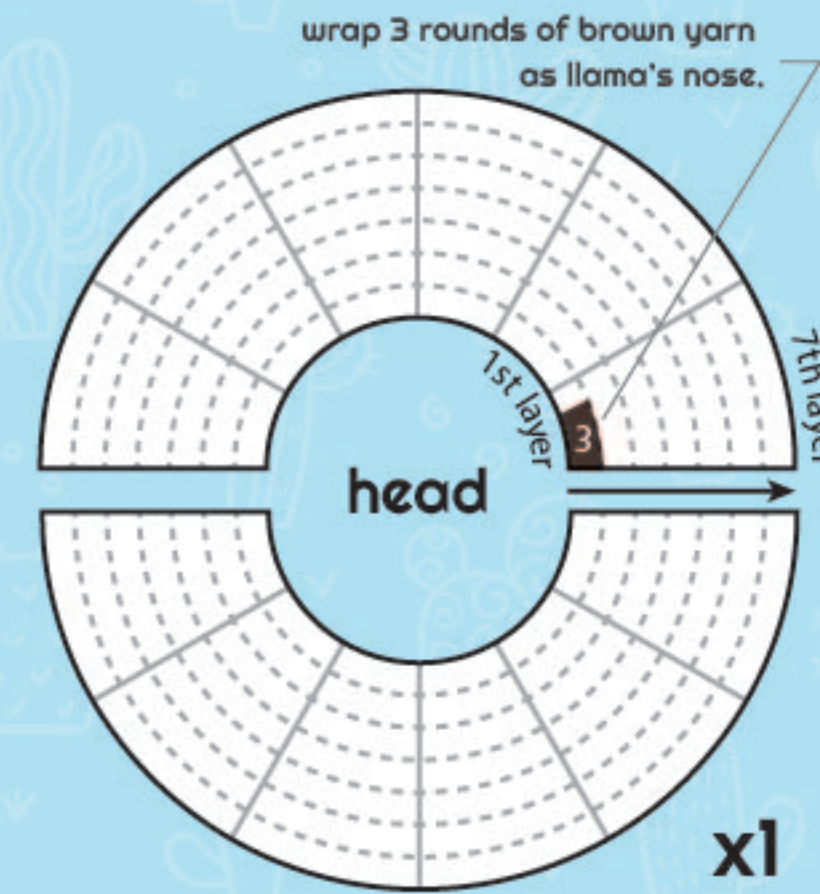

2. The inner circle in the diagram means 1st layer of wrapping, Keep wrapping the pom pom maker until it reaches 7 layers.

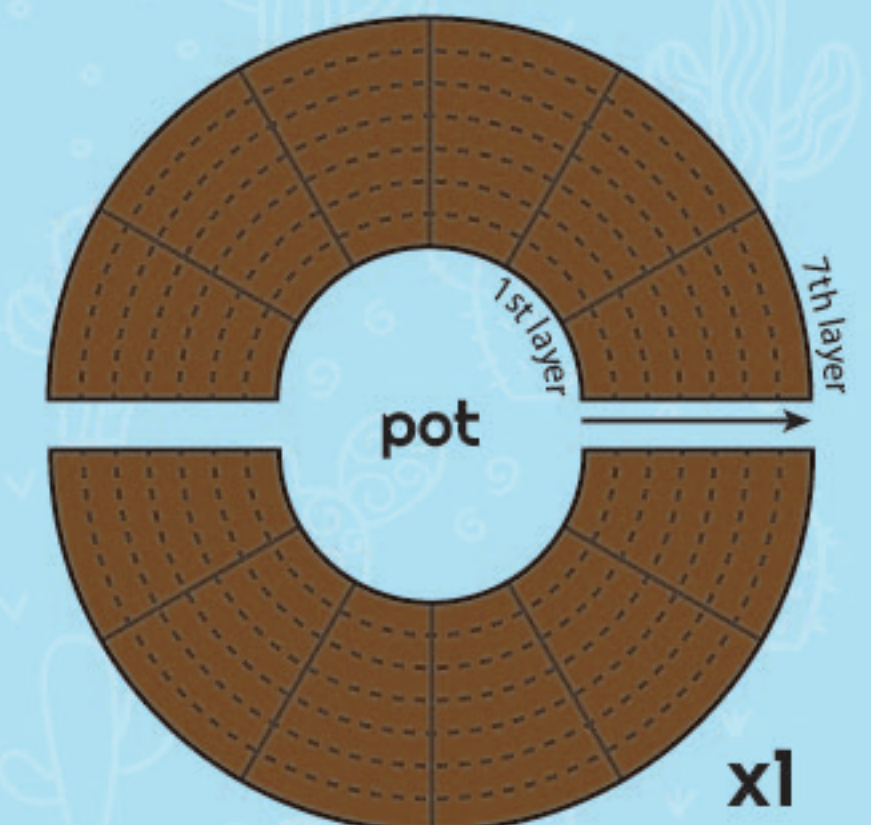

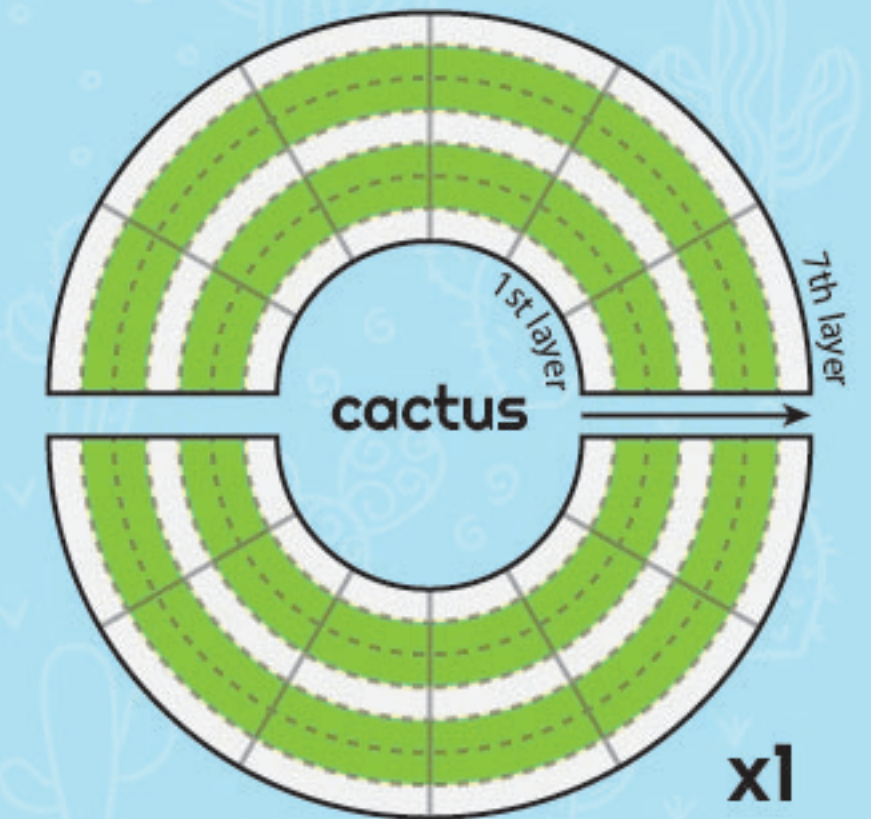

3. Each layer is around 20-24 wraps, you may adjust the number of wraps while wrapping. (7 layers would need around 140 wraps in total)

Llama's head & body:

Cactus:

Llama's legs & feet:

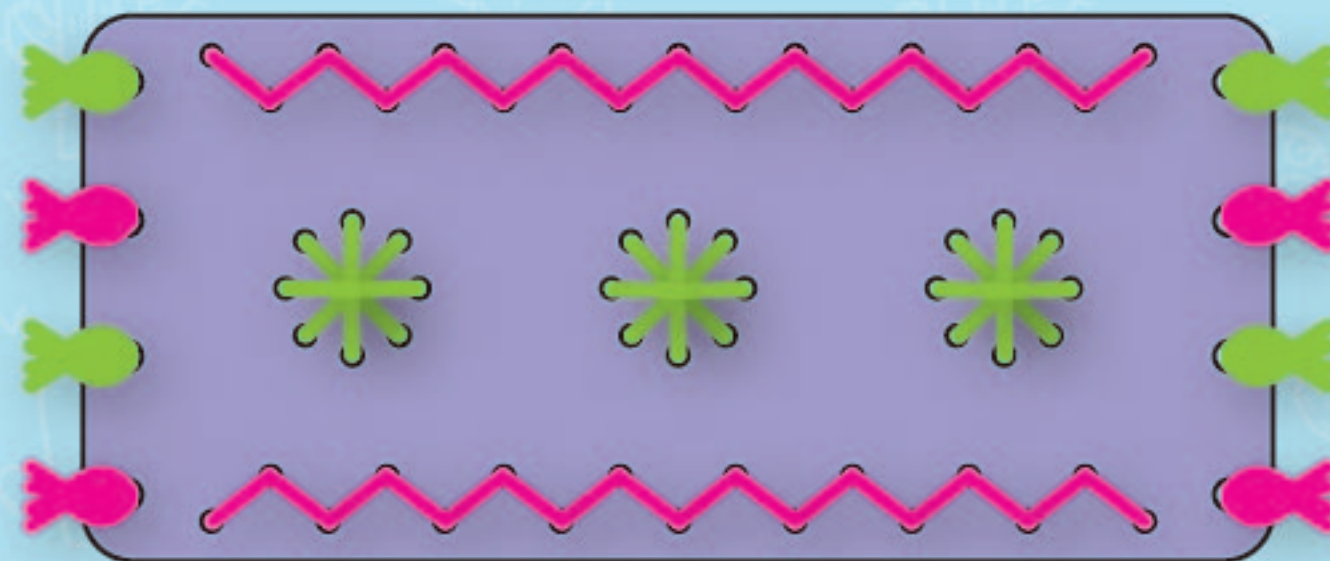

4. Wrap 20 rounds on the paper pom pom maker, and tie up at each marking.

5. Cut in the middle of each tied wrap. Adjust the cut off embroidery into ball shape, and now you have 4 little pom pom.

Llama's shawl:

6. Hand sew the colorful pattern according to following figure.

7. Use glue to adjust it's nose, hand saw 2 ears and glue the eyes on to finish llama's face.

8. Gather all the parts and assemble your pom pom Llama. Trim down the hair and shape your own fluffy Llama!
