

Regional Fire & Flow Groups

This is the place to find your local community fire and flow group and/or club!

Below is our list of community fire and flow groups (up to date and accurate at the time of writing this) and university clubs that cover nearly the whole of New Zealand. Find their current meeting details and get in touch with each group on Facebook.

All days/times for fire and flow jams listed here are subject to weather, fuel, safety etc. Most groups will post if a regular meet is cancelled or postponed, so it pays to check in with your regional group before heading off to a jam!
