

SIZE GUIDE

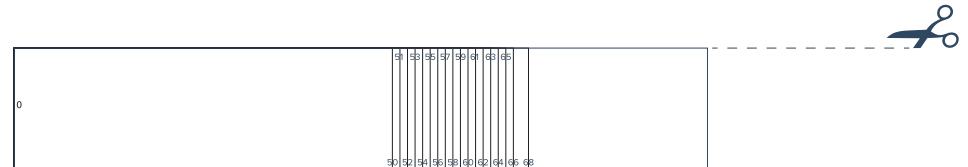

If you need help in choosing the right size of your Sorux Paris ring and /or bracelet, please print out this A4 page, selecting «actual size» in the printer options.

For model M0 or M1 you can find your size by placing your ring on the ring sizer. The inside of the ring must be exactly as the outer contour of the printed circle. If your ring is between two sizes, we recommend that you choose the bigger size.

Regarding M3, M8, M9 and M21 please cut the ruler and place it around your finger and /or wrist. When measuring the wrist, please pull it gently and not too tight.
