TERMS AND CONDITIONS

PROMO CODE USAGE: Utilize the applicable promo code(s) [COOLING24, SPRING24, TSHIRT24]. Using more than one promo code on a single order is permissible. **MINIMUM ORDER REQUIREMENT:** All applicable promo items must be on one order to qualify for the initial minimum. Orders cannot be combined to meet the minimum requirement. Multiple promo codes can be used on an order, but initial minimums are tied to specific promo items (\$500 minimum is for cooling items, and \$1,000 minimum is for t-shirt items). Initial minimum totals do NOT include super saver items. **LOCATION-SPECIFIC DISCOUNTS:** Discounts, totals, and lock-in are for each ship location; they cannot combine multiple destinations. **LOCK-IN RATE APPLICATION:** Lock-in rates will be applied 3-5 business days after the initial order. **SHIPPING DEADLINE:** All items must be shipped by June 15, 2024. **FREIGHT POLICY:** For all orders, the current freight policy applies. A minimum order of \$1,000 is required to qualify for free freight. **LIMITED OFFER VALIDITY:** Offers are valid only while supplies last. A qualifying item will be removed from the order if it is back-ordered. **FINAL SALE:** 50% off Super Saver Items are final sale and cannot be returned. **PRE-BUY PROGRAM RETURNS:** Items purchased during the pre-buy program may be returned for an equal monetary value in the 2024 winter pre-buy program. The original PO# is required, and a Return Authorization must be obtained from your sales manager. Items must be returned in resaleable condition (original packaging and unopened). There is no restocking fee; however, the distributor must pay return freight.
