

# Specialty Spring Radish

**Easter Egg**

28 - 32 days to maturity. Easter Egg contains a beautiful mixture of round colorful radishes. Pink Beauty, Purple Plum, White Beauty, German Giant and many others make this perfect blend. With this mixture, you will have elongated globes that remain firm, crisp and tender.

**Pink Beauty**

22 days to maturity. Pink Beauty is a round, soft pink radish with white flesh. The flesh is tender, crisp and full of flavor. This uniformed radish is beautiful with its green medium-sized tops. Pink Beauty is quick-growing and you won't want to miss out on it in your garden.

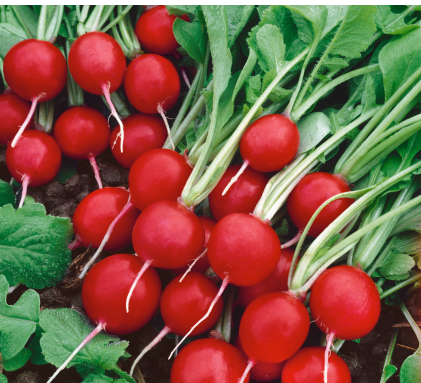

**Watermelon**

60 days to maturity. An heirloom from China, Watermelon is a large white rooted radish with green shoulders. The inside flesh is red to pink and is very sweet and crisp, unlike most radish. Watermelon contains large tops for ease in picking. Pick these babies while they are colorful and still small. They do great in salads and as garnishes!

**White Beauty**

30 days to maturity. These pure white skin radish with firm flesh stays crisp for a long time. It is larger than most early globe types so you can enjoy them early in the season.

**Rudolph**

24 days to maturity. Rudolph grows to be 1 1/2 inch round. These cute small radishes are a deep red color and have a nice uniform shape and color. Rudolph is also packed with flavor. They are crisp, sweet and mild. Add them to your dish for an extra kick of flavor!

**Long Scarlet Cincinnati**

An heirloom radish, Long Scarlet Cincinnati has been a favorite since 1930. These long tapered roots are red with tender white flesh. They can grow to be 6 to 7 inches long. Excellent for home garden or market.

**French Breakfast**

25 days to maturity. French heirloom, Fench Breakfast is a small slender taproot with a mild, spicy flavor. These oblong and blunt radish are rose scarlet with a white tip. Its flesh are crisp white.

**China Rose Winter**

40 days to maturity. One of the oldest types of radish, China Rose Winter contains a faint rose color skin with a deep rose color flesh. Its flesh is spicy and delicious sliced fresh. The radish tops are also full of flavor and can be cooked.
