

**Chives, Garlic Geisha**  
**AAS 2015 Edible Winner**  
**National Winner**

The second of three organic herbs in this grouping of AAS Winners, Geisha is a vigorous grower with a nice 'just-right' garlic flavor. Slightly wider, flatter and more refined leaves topped by pretty white flower stalks late in the season mean this is another edible that can serve a dual purpose as an ornamental. Geisha is a great culinary herb for use in stir-fries, soups, compound butters and as a fresh garnish for a variety of dishes. Although late flowering is a good thing in herbs, when Geisha does burst into bloom, the butterfly inhabitants in your garden will be very happy!

*All-America Selections® was founded in 1932 and continues as the oldest independent testing organization in North America. Every year, new, never-before-sold in North America varieties are trialed in our Trial Grounds and professional horticulturists determine which varieties will be deemed winners based on their garden performance. AAS relies upon a public relations program to inform gardeners about AAS Winners that are announced three times each year.*
