# WELCOME TO IMPERIAL MEASURES DISTILLING

Our mission is to please the palates of a thirsty world by creating exceptional liquids. We invite you to explore the result contained in these pages.

If you have any questions regarding our products, or there are simply too many to choose from, please don't hesitate to have a chat with our friendly bar staff. We love helping our customers find a new favourite.

Cheers,

David Danby

# BOTTLES TO GO

## **OUNCE GIN 'SIGNATURE' | \$84** 42% ALC/VOL

Our flagship gin released in 2015. It has a soft, rich, round profile championing orange, vanilla, hazelnut, nutmeg and cacao. Based on a sturdy backbone of juniper, this gin is plush and pleasing while staying true to historical roots.

## **OUNCE GIN 'BRIGHT' | \$89** 44.5% ALC/VOL

Clean, crisp and refreshing, 'Bright' leads with lifted aromatics of lime, dill, mint and rose, moving into a complex palate of juniper, mace, pink pepper and ginger.

## **OUNCE GIN 'BOLD' | \$94** 47% ALC/VOL

A testament to big juniper notes, supported by the savoury elegance of herbs and spice. Fresh sage, thyme, nutty tellicherry pepper and smoky black cardamom create a lengthy and intriguing traditional profile for gin purists.

## **OUNCE GIN 'SHIRAZ' | \$74** 26% ALC/VOL

Produced in a Sloe Gin style in collaboration with Massey Wines. Juicy dark fruit-forward shiraz grapes from McLaren Vale are supported by juniper, grapefruit, hibiscus, elderberry, cinnamon, black pepper and cacao nib to create a pleasing velvety length and structure.

## **RUBY BITTER APERITIF | \$69** 25% ALC/VOL

Our Italian style bittersweet aperitif balances ruby red grapefruit, gentian, beetroot, rose, hibiscus, and vanilla. This lengthy amaro provides a full and complex profile, worthy of rumination.

## **MANDEAUX LIQUEUR | \$74** 40% ALC/VOL

Mandaux is our distilled mandarin liqueur bottled at spirit strength, made with Riverland grown Imperial Mandarins. Authentic, juicy, bright and lifted mandarin notes are reminiscent of eating fresh mandarins from the tree.

## **CERISE LIQUEUR | \$74**

34% ALC/VOL

A French style liqueur made with sweetheart cherries from Montacute in the Adelaide Hills. This liqueur tastes like Christmas in South Australia, with hints of almond and the full velvety flavour of cherries.

## **SCARLET SWEET VERMOUTH | \$29**

18% ALC/VOL

Scarlet Sweet Vermouth is a revision of the traditional vermouth concept. Forty botanicals from families such as citrus, nuts, roots, herbs, fruits and spices are supported by the vermouth stalwart wormwood.

## **UMAMI DRY VERMOUTH | \$29**

18% ALC/VOL

Our first offering of a dry vermouth with an umami botanical focus. Wormwood, porcini, wakame, capers and miso are the driving components in this pursuit of 'deliciousness'.

## **PIRATE LIFE RUBY BITTER APERITIF | \$74**

25% ALC/VOL

Ruby Bitter made with base spirit that was distilled from Pirate Life IPA adding pretty, floral notes that nod to the exceptional beer it was made from.

## **SINGLE-TREE MANDEAUX | \$99**

46% ALC/VOL

Limited release Imperial Mandarin liqueur made from the fruit of a single 50 year old Imperial Mandarin tree only 800m from our distillery.

## **RAPTURE | \$79**

32% ALC/VOL

An amaro made in collaboration with Memphis Slim's House of Blues, tasting of rich rocky road, with a toasty wattleseed finish.

## **AUVERT LIQUEUR | \$109**

55% ALC/VOL

A wormwood based alpine herbal liqueur, or 'Genepy', containing over 30 botanicals. An Australian first, this liqueur can be used anywhere that Green Chartreuse might be called for. Not for the faint of heart.

# **OUNCE GIN SIGNATURE SERVES**
