

Dual Band 3MP Home Security Camera

DS-3105

The **Prolink Dual Band Home Security Camera (DS-3105)** is a 3MP 2K Smart Wi-Fi Pan/Tilt/Zoom IP Camera. With its 120-degree wide-angle lens and the additional night vision feature (clear visibility of up to 10 meters), the device enables users to capture sharp and clear moving objects both day and night – the perfect indoor monitoring device.

Prolink Home Security Camera can also be easily set up and connected to the wireless network with the Prolink mEzee mobile app, giving users full control to the device settings anytime, anywhere. With the built-in microSD card slot, videos can also be stored, and played back easily. Alternatively, recording can be saved directly to the cloud storage!. Other key features include motion sensor and push notifications, which alerts users when there is a motion event detected.

Key Features

Dual Band Wi-Fi

Support Dual Band Wi-Fi especially when 2.4GHz Network is congested, users can select Wi-Fi 5GHz to ensure the smooth connectivity with low latency.

Full HD 3MP

2K resolution provides a clearer and brighter video.

Pan/Tilt/Zoom

Adjust the view of the camera to designated angle or coverage. Easily control via the Prolink mEzee App either locally in the same network, or remotely.

2-Way Communication

Support 2-way communication between phone and camera.

Night Vision

IR LED distance at night vision up to 10m.

Wide Angle

Field of view of 120°.

Private Mode

Maintain privacy with the lens pointing down and blocked by the housing when Private mode is enabled.

Motion Tracking & Detection

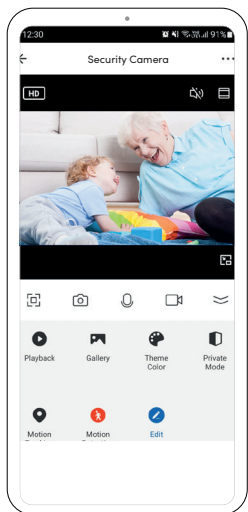

Automatically captures and tracks the motion while delivering notifications upon detection of motion.

Specifications

Wireless Frequency Band	2.4/5GHz Dual Band	
Wireless Output Power	Up to 20dBm	
Wireless Channel Bandwidth	20MHz	
Image Sensor	1/2.7" Colour CMOS	
Field of View	Wide angle 120°	
IR-LED	Up to 10m range	
Status Indicator LED	1x Blue LED	
Pan/Tilt/Zoom Control	Pan range: 360°; Tilt range: 130°; Digital zoom : Up to 6x	
Interface	Micro USB Power Input microSD card slot (up to 256GB)
