The simple yet reliable 40W cable is great for transferring large data within seconds, as well as charging and syncing of USB-C enabled devices at an incredible speed whether at home or on-the-go.

## Key Features

### Fast Speed Data Transfer

Transfer files, audios and videos at an incredible 480Mbps transfer speed.

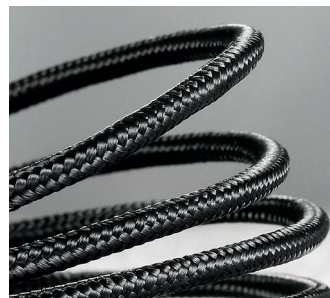

### Braided Nylon

The premium looking braided nylon cable not just complements your devices, but also ensures cable longevity (5x more durable than regular cables).

### Ultra Fast-charging

An impressive 40W output power that delivers quick and stable charging for USB-C enabled smartphones (an average of 75% battery charged in 30 mins).

### Tangle Resistant

Braided nylon cable material helps to reduce unwanted knotting and messy cable situations.

### Reversible C-Connector

New user-friendly reversible connector that allows you to connect your cable to your device in any direction.
