Enhanced  
Strain Relief

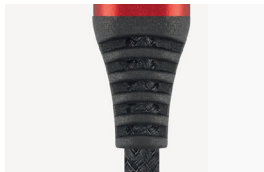

Forged from a high-graded braided-nylon cable material and inner tinned copper wiring for ultimate durability, the 60W cable is great for charging and syncing of USB-C enabled devices at an incredible speed whether at home or on-the-go.

## Key Features

### High Speed Data Transfer

Transfer files, audios and videos at an incredible 480Mbps transfer speed.

### Strain-relief

Additional strong yet flexible rubber coil to help release strain and pressure, whilst reinforcing the juncture between the cable and connector to prevent easy breakage.

### Ultra Fast-Charging

Supports an impressive 60W Power Delivery output power that enables strong and fast charging for compatible devices.

### Reversible C-Connector

The newly standardized USB-C interface is a user-friendly reversible connector that allows you to connect your cable to your device in any direction.

### Braided Nylon

The braided nylon cable ensures reliability and durability with the woven exterior preventing tearing and fraying from everyday usage (5x more durable than regular cables).

### Universal Compatibility

Standardized USB C-to-C cable easily supports mobile phones and even laptops with type-C interfaces.
