Gaming Desktop Combo

GMK-6001M

The new entry level gaming combo, **GMK-6001M**, fulfils the basic needs of a gaming setup to get you to the game right away. Enjoy key features like the 19 anti-ghosting keys to prevent any disruption during your game. Don't call it a gaming combo without the fancy rainbow backlit. It helps your vision during your games at night. And of course, it just looks fantastic.

Key Features

PLUG & PLAY

The iconic plug & play lifestyle setup comes with a 1.5m long braided USB cable that is built to last.

ANTI-GHOSTING KEYS

Enjoy the 19 anti-ghosting keys and the Windows lock function to maximise your gaming experience.

PERFORMANCE

The membrane switch gives a responsive and reliable keystrokes, making it a comfortable gaming and typing experience.

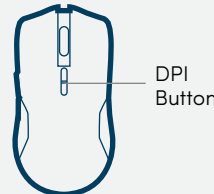

SPILL-RESISTANT

Get additional protection with the UV coated keypads to reduce wear and tear, and avoid system damage caused by accidental spills.

ERGONOMIC DESIGN

An all-rounder gaming mouse that is designed to fit any grip style with high level of comfort.

1200 - 3200 DPI BUTTONS

Switch between the DPI for a quick and snappy movement of the cursor.
