# **WARNING**

Failure to follow these warnings and the instructions could result in death or serious injury.

## **SUFFOCATION HAZARD**

### **Babies have suffocated:**

- On pillows, comforters and extra padding.
- In gaps between a wrong size mattress, or extra padding and product sides.
- **NEVER** add soft bedding or padding.
- Use **ONLY** mattress provided by PRIMO.
- Always place baby on back to sleep to reduce the risk of SIDS and suffocation.
- If a sheet is used with the pad, use only the one provided by the manufacturer or one specifically designed to fit the dimension of the product mattress.

### **FALL HAZARD:** To help prevent falls,

- Do not use this product when the infant begins to push up on hands and knees or has reached 20 lbs, whichever comes first.
- Strings can cause strangulation! Do not place items with a string around a child's neck, such as hood strings or pacifier cords. Do not suspend strings over a product or attach strings to toys.
- Do not use if any part of the bassinet is broken, torn or missing parts.
