

Elephant Adoption Certificate

Naboishu

Adoption Period: 12/08/2020 - 11/08/2021

Dear T.E.P Colombia S.A.S / Pants For Love,

Congratulations on your elephant adoption. In so kindly choosing to adopt Naboishu you are helping us provide the specialist care your orphan elephant needs to grow and thrive.

You can stay in touch with our Orphans' Project through your exclusive access to our online Keepers' Diaries and monthly updates, with photographs and a location map showing where your orphan was rescued, creating a valuable record of Naboishu's progress. Together with your updates I paint a collectable water colour every month for you to enjoy, print out and keep.

We are excited to welcome you to our wild family.

Most gratefully,
Angela Sheldrick
