

IONIC

RESCUE

The IONIC Responder 2 Drysuit was designed, as its name suggests, as a first responder suit. This drysuit is an evolution of the original IONIC Responder. This fully breathable suit comes supplied as standard with premium component parts including neoprene neck and cuff seals, breathable fabric socks and ankle gaiters.

Manufactured using a high performance Hydratec 320 three Layer Trilaminate fabric with additional 500D Cordura® protective panels in the seat and knee, you can be assured of maximum durability and performance. Fitted also with the YKK Aquaseal zipper this IONIC drysuit is the preferred choice for comfort, flexibility and meets the expectations as a hard working comfortable drysuit.
