

Home styling is a new term in the interior design world.

It means adding style to the place that is closest to your heart. It means complementing your abode with décor that makes you feel happy. It means changing, moving and selecting items to create a better space and atmosphere around you.

Home styling is the aesthetic and cosmetic side of improving a living area, with the intention to evoke the feeling, the ambience, that is right for each of us inside our own households. Add the right color for you, go with shapes you like, and supplement with trendy items to reflect who you are.

At ADAMÁ, we believe our new collection can inspire you to decorate your surroundings and make your home more harmonious and peaceful. It will invigorate you to add style and soul to the place you love the most – your home.

*With love,
The ADAMÁ Team*

El estilo del hogar es un nuevo concepto en el mundo del diseño de interiores.

Significa añadir estilo al lugar más cercano a tu corazón. Significa complementar tu espacio con aquella decoración que te hace sentir bien. Significa cambiar, mover y seleccionar elementos de forma que cambie el espacio, creando así una mejor atmósfera a tu alrededor.

El estilo del hogar, trata de mejorar estéticamente un espacio, con la intención de acercarse al ambiente y a las sensaciones más acordes a cada uno de nosotros dentro de nuestra propia casa. Añade los colores que te complacen y las formas que te gustan, complementándose con los elementos que reflejan tu personalidad.

En Adamá estamos convencidos de que nuestra nueva colección va a inspirarte para decorar tu espacio y hacer que tu casa sea más armoniosa y relajante. Así podrás sumar estilo y alma al lugar que más amas: tu hogar.

*Con amor,
El equipo Adamá*

Xmas Vibes

We imagine a cozy Christmas: tiny, warm, sparkling lights everywhere. Meaningful ornaments on fresh-smelling trees still green with life. Decorated holiday tables with beautifully matched candles and patterns. It's all part of the magic of Christmas, the ritual and fun.

By combining and creating a variety of colors, patterns and styles in our Christmas designs, we hope to spread the joy of the season.

Merry Christmas.

Vibraciones Navideñas

Pensemos en una acogedora Navidad: luces brillantes y cálidas por doquier. Llamativos ornamentos colgados de abetos verdes, aromáticos y llenos de vida. Mesas hermosamente decoradas con adornos navideños y velas.

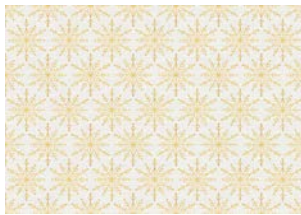

Todo contribuye a la magia de la Navidad, sus rituales y alegrías.

Esperamos difundir la alegría durante esta temporada con nuestros diseños, que combinan gran variedad de patrones, estilos y colores.

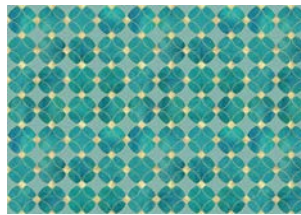

Feliz Navidad.

ADAMÁ Ya Ya's Nest

When residents of the Oklahoma City area need a little inspiration, they pay a visit to Ya Ya's Nest (118 South Main St., Blanchard, Oklahoma, 73010), a home decor and gift boutique, where they find inspiration and the tools to bring their ideas for their home to life.

The owner of Ya Ya's Nest, Leisa Yarbrough, is always looking for ways to welcome her customers, and she had a vision for two particular areas of the store: the entryway and the children's display. The entryway contains a sampling of the shop's goods to invite customers in, but its wide expanse of monochromatic concrete needed a bit more life and texture. The children's area showcases a colorful display of fun items, but it needed to be defined in harmony with the rest of the store.

In a shop designed to inspire beauty and creativity, finding a solution that was attractive and fit with the cozy aesthetic Leisa had curated was a key concern. She discovered ADAMÁ's vinyl rugs and realized they were exactly what she needed.

To define the entryway, she collaborated with the ADAMÁ team, who designed a black and white floral rug with a border. It pairs beautifully with the shop's comforting charm and its neutral colors will flatter any future entryway displays, whether they're seasonal or have a specific focus.

When it came to the children's area, ADAMÁ designers created another custom-sized rug, featuring a vivid cube tessellation with a neutral border. Its rainbow colors ensure it fits perfectly with the display, and it gives kids a durable place to sit as they explore the shop's offerings. At the same time, the small scale of the design and the neutral border keep it cohesive with the store's overall style. ADAMÁ also made the shop's logo a prominent component in the design of both rugs, a personalized touch that promotes the store's curated ambience.

"There's nothing more important to Ya Ya's Nest than making our customers feel welcome and stirring up their creativity," Leisa expressed. "We're thrilled that ADAMÁ was able to provide a thoughtful design element that invites customers in and makes them feel comfortable, but also fits into the shop's unique look. They gave us exactly what we needed and, even better, they were able to customize our new rugs with our logo. The rugs fit into the shop so well, it looks like they've always been here. Plus, they're so sturdy and easy to clean, they'll still look new years from now."
