

“Creativity is intelligence having fun.” – Albert Einstein

What can we say? One thing we really like about what we do is the creativity. We agree it's truly pleasurable to create, imagine and put things together. There's no question we need to work with our brains, but in such a fun way. No doubt it's the part we love the most.

Another thing science shows us is that our level of creativity and our mood are linked. We have all heard that being positive is good for us and that happiness is the best emotion for creative thinking. This suggests we don't just need to be in a positive mood to harness our creativity – we need positive energy.

Each one of us, the ADAMA team and the people around us, have had to find a lot of positive energy during the last few months, not only to maintain our healthy routine and everyday life, but also to CREATE.

In this catalog, you'll find collections that have filled our hearts with joy and happiness. That much is sure.

Enjoy.

The ADAMA Team

“La creatividad es la inteligencia divirtiéndose” – Albert Einstein

¿Qué podemos decir? Un factor que realmente nos gusta de lo que hacemos es la creatividad. Pensamos que es realmente placentero imaginar y crear. No hay duda en que trabajamos con nuestro cerebro, pero de una manera divertida. Verdaderamente es la parte que más amamos.

La ciencia nos enseña que nuestro nivel de creatividad y nuestro estado de ánimo están relacionados.

Todos hemos escuchado en alguna ocasión que ser positivo es bueno para nosotros y que la felicidad es la emoción más favorable para el pensamiento creativo. Esto sugiere que no solo necesitamos tener un estado de ánimo positivo para aprovechar nuestra creatividad- necesitamos energía positiva.

Cada uno de nosotros, el equipo de ADAMÁ y las personas que nos rodean, hemos tenido que encontrar mucha energía positiva durante los últimos meses, no solo para mantener nuestras rutinas y vida diaria saludables, sino también para CREAR.

En este catálogo, encontrarás colecciones que nos han llenado el corazón de alegría y felicidad. Esto es seguro.

Disfrutad.

ADAMÁ Positive Vibes Collection

Sometimes all it takes is a few positive quotes or words of encouragement to immediately turn someone's day around.

This collection of inspirational words and symbols was born while we were thinking about ways to inspire our clients during these unstable, strange days, weeks and months amid the uncertainties related to almost every aspect of our lives. COVID-19 has led us all to change our routines and face new norms and behaviors. For many of us, this epoch is not simple.

For your well-being and our own, we decided to take a moment to deliver a positive message.

We hope it lifts your spirits as it did ours.

En ocasiones bastan unas pocas palabras de ánimo para dar la vuelta a un mal día.

Esta colección con palabras y símbolos sugerentes, nació mientras pensábamos en cómo inspirar a nuestros clientes en estos inestables y extraños días, semanas y meses de confusión acerca de cualquier aspecto de nuestras vidas. Covid-19 ha sido para muchos una etapa difícil, nos ha forzado a cambiar nuestras rutinas y adoptar nuevas normas y actitudes.

Por el bien de todos, decidimos tomarnos un momento para ofrecer un mensaje positivo.

Esperamos que os ayude a levantar el ánimo tanto como a nosotros.

Xmas Vibes

We imagine a cozy Christmas: tiny, warm, sparkling lights everywhere. Meaningful ornaments on fresh-smelling trees still green with life. Decorated holiday tables with beautifully matched candles and patterns. It's all part of the magic of Christmas, the ritual and fun.

By combining and creating a variety of colors, patterns and styles in our Christmas designs, we hope to spread the joy of the season.

Merry Christmas.

Vibraciones Navideñas

Pensemos en una acogedora Navidad: luces brillantes y cálidas por doquier. Llamativos ornamentos colgados de abetos verdes, aromáticos y llenos de vida. Mesas hermosamente decoradas con adornos navideños y velas.

Todo contribuye a la magia de la Navidad, sus rituales y alegrías.

Esperamos difundir la alegría durante esta temporada con nuestros diseños, que combinan gran variedad de patrones, estilos y colores.

Feliz Navidad.
