

Our home is our source of peace and quiet, the fort that protects our family, and the place where we find inspiration and fulfillment. Home is a major part of who we are. Home is where our health and peace of mind are rooted.

When we select a piece of furniture to fill a certain space in our home and in our heart, when we hand-pick a beautiful painting or an antique item that has caught our eye, it reflects who we are – these nostalgic moments and memories display our personality, the culture we come from and that we draw creative ideas from, and our different moods. They show a chapter in our life...

Recently, we have all spent hours, days, and weeks in our homes, arranging every item in its place and repeatedly looking at the (dis)order, at the aesthetic we've curated and what could be changed, disposed of, or added.

The thought that adding a single item can completely change the entire space and instantly convey the feeling, character, and message of the one who lives within it is the idea and vision that led us to create diversity in each and every collection with a variety of motifs, colors, and looks.

We simply imagine stepping into a room where a vinyl rug incorporates elements from the Baroque era or lively Mediterranean-style, handmade floor tiles; a surface draws the eye with an interesting texture; or a unique look inspired by nature incorporates a special new shade, and we fall in love. And then the designs we fall in love with the most – those are the ones we eventually select and present for your enjoyment in this catalog.

Welcome to our FW20 collection.

Nuestro hogar es nuestra fuente de paz y tranquilidad, el fuerte donde protegemos a nuestra familia y el lugar donde encontramos inspiración y satisfacción. El hogar es una parte importante de quienes somos.

Cuando seleccionamos un mueble para ocupar un determinado espacio en nuestra casa y en nuestro corazón o cuando elegimos una bella pintura o una pieza antigua que nos ha llamado la atención, reflejamos quienes somos: estos momentos y recuerdos nostálgicos muestran nuestra personalidad, la cultura de la que venimos y de la que sacamos ideas y estados de ánimo. Muestran un capítulo de nuestra vida...

Recientemente todos hemos pasado horas, días y semanas en nuestras casas, recolocando cada pieza en su sitio y observando repetidamente el (des)orden, la estética creada y valorando aquello que podríamos eliminar, reubicar o añadir.

Introducir un solo elemento nuevo que puede cambiar un espacio por completo transmitiendo automáticamente el sentir, el carácter y el mensaje del que habita en él, es la idea y la visión que nos motiva para crear cada colección, con variedad de motivos, colores y looks.

Nos imaginamos entrando a una habitación donde una alfombra de vinilo incorpora elementos de la época barroca, o azulejos de estilo mediterráneo pintados a mano, o superficies con textura, o cómo un acabado único inspirado en la naturaleza añade un nuevo tono especial, y nos enamoramos. Y los diseños de los que nos enamoramos más son los que finalmente seleccionamos y presentamos para su disfrute en este catálogo.

Te damos la bienvenida a nuestra colección Otoño-Invierno 20.

Renovation has never been easier!

When Amy Bird, the owner of Birdy's Cafe and Artisan Market (7801 Long Beach Blvd, Harvey Cedars, NJ, 08008), a beautiful coffee shop combined with a small and trendy retail store, reached out to us in early 2020, we assumed she would like to place an order for her store's stock.

Well, she didn't.

During the previous few months, Amy had been looking to replace an old, worn floor area in her store. She was considering a few different alternatives, but most of them were not only very expensive but also required a few days of construction, which meant noise, dirt, dust, and inconvenience for her clients. This was far from ideal for someone trying to run a business.

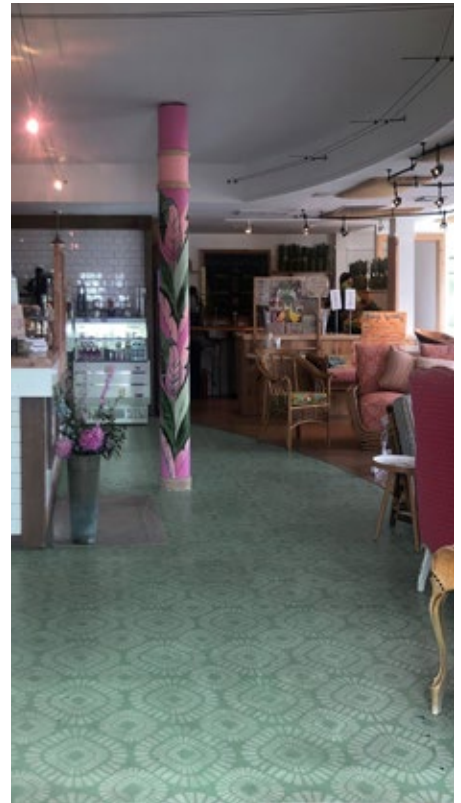

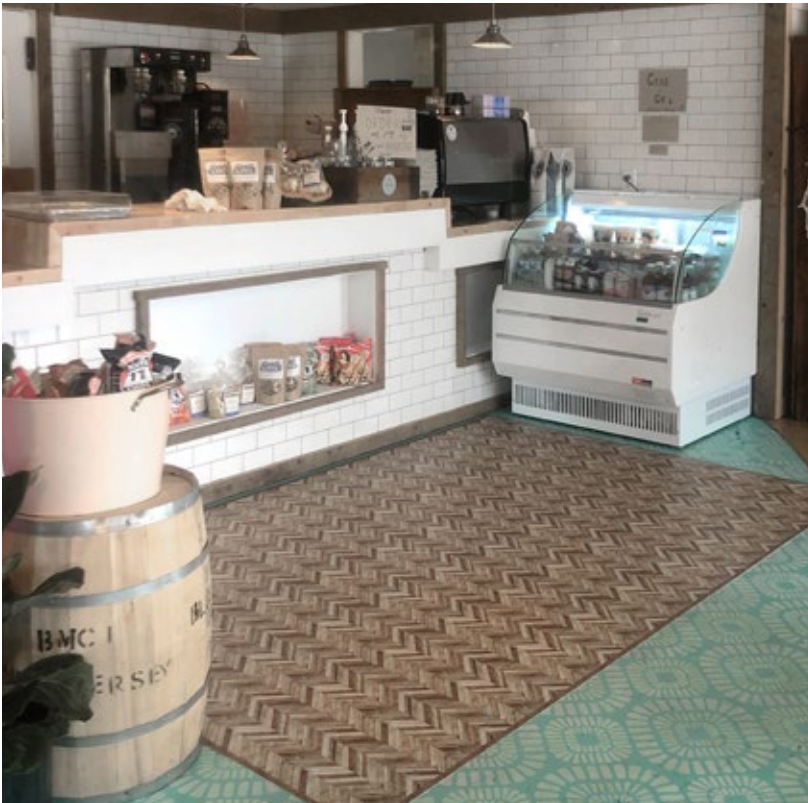

Amy, who was familiar with ADAMÁ's vinyl rugs, realized she could actually use them as an aesthetic, affordable, and easy-to-implement solution to cover the damaged floor area. A light bulb switched on and from that moment, things started to move quickly.

Amy asked us to create a few custom-sized vinyl rugs for her shop.

The first order was for a 4' x 12' wood-textured vinyl rug design (model Lakri_O) to give the shop a natural look. A few weeks later, Amy ordered three additional vinyl rugs of the same design measuring 6' x 9', 6' x 11', and 5' x 7'. She was finally able to cover the old floor and give it a fresh new look.

"I've been searching for a solution to cover this old floor for several months" Amy said. "All the options seemed to be too expensive and required a few days of labor. When I realized ADAMA vinyl rugs are so durable and easy to clean and maintain, I reached out to the ADAMA team and asked for custom-sized rugs to cover the whole area. The ADAMA team was great to work with. They were able to rescale the design and fit it to my needs in less than three weeks. I'm very pleased with the results. I wish I'd thought of it sooner."
