

## Retired Glass Ornament List: December 2003

Dear Valued Retailer,

I am pleased to announce this year's list of Christopher Radko ornaments to be retired in 2003. To make room for new designs, I retire hundreds of ornaments annually. Production on the ornaments below has ceased and will not resume. Many of these sought-after ornaments are still in stores, but no more will be created...ever!

Yours Truly,

*Christopher*
