"Changing the way sales are done"

Did you recently obtain your P&C or life license and do not know what is next?

At Aletheia Capital and Insurance Services, we thrive in educating and assisting new brokers jump start their careers. With endless resources, unique tailored approaches to a warm market there is no reason as to why you can't achieve success. If you succeed, we succeed, and we love to take on new talent. At Aletheia it does not matter if you are in CA or another state, we are here to empower you, and help you grow in any way we can. With the right attitude, perseverance, and passion you will soon be leading your own success story in the insurance industry. Our mission is to have a leading team that will empower and assist employers' insurance industry.

"Start by doing what's necessary, then do what's possible and suddenly you are doing the impossible"
