

# READY-TO-FINISH **OUTDOOR FIREPLACES**

RSTL-40DLP

Finished RTF Fireplace Enclosures

## **BEAUTIFUL AND VERSATILE**

Ready-to-finish linear fireplace enclosures are made from Fiberock® backerboard and G90 marine-grade galvanized steel framing. These can be finished on-site to match your landscaping, hardscaping, or exterior design with stone or other non-combustible materials. Choose between single-sided or see-through styles. Perfect for both commercial and residential applications.

## **FEATURES:**

- Available as see-through or single sided
- Made using G90 marine-grade galvanized steel framing and Fiberock® backerboard
- Fireplace opening enclosure is lined with #304 stainless steel
- Includes vents pre-installed, a cut-out for a control panel, and glass wind guard panels
- Linear Crystal Fire® Plus Burner Insert with [Direct Spark Ignition](#) or Manual Ignition controls – order fire media, external controls, timers, and emergency stop separately
- Can be used for liquid propane or natural gas installations – hard-pipe installation recommended
- Access Door conceals standard 20 lb. propane tank in base for 40" and 60" models
- Enclosures 8 feet or less ship in one piece with drop-ship option available
- UL Listed, Made in USA with US imported parts
- Contact [sales@outdoorrooms.com](mailto:sales@outdoorrooms.com) for information on custom sizes
