

STANDARD FEATURES

ISLAND HOODS

- Unique CircuFlow Ventilation System™ with centrifugal blower design prevents grease and contaminants from collecting in ductwork for safe operation.
- Appropriate CFM specifications to perfectly match any Hestan cooking product (see specification recommendations) for optimized fume and grease extraction.

CircuFlow Ventilation System™

Removable blower Housing

LED lighting

12 Color Options

- Baffle-less, variable speed blower CircuFlow Ventilation System™ collects 70% more grease than most competing models.
- Ultra-quiet CircuFlow Ventilation System™ provides best-in-class air flow and extraction efficiency.
- Removable blower components are dishwasher-safe for easy cleaning.
- Optimized low-temp LED lighting for optimum illumination.
- Blower speed automatically increases when higher temperatures are detected and when full blower power is not needed the blower speed automatically lowers for even quieter operation.
- Marquise Accented™ front and back face profile compliments design integrity.
- Available in 36", 42", 54" widths.
