70 YEARS OF INNOVATION

Zip Water is known globally for being home to the world's most advanced drinking water systems. We have unrivaled expertise in instant filtered boiling, chilled, and sparkling water taps.

Founded in Australia in 1947, we've always been innovators. For decades, we have been advancing and perfecting our drinking water technology. Today, we're proud to provide homes in over 70 countries across the world with pure tasting, instant Boiling, Chilled & Sparkling drinking water from our range of HydroTap products.

Our advanced water filtration, functionality, and cutting-edge technology has transformed the way people drink and cook forever.

Start drinking more, saving time, saving energy, and seeing the benefits to your family's wellbeing from your very first glass.

Welcome to the Zip Water family.

WE HAVE THE WIDEST CHOICE OF WATER OPTIONS

FILTERED
BOILING

FILTERED
CHILLED

FILTERED
SPARKLING

UNFILTERED
HOT & COLD

Choose from a range of premium filtered instant boiling, chilled still and sparkling, water options or choose the Celsius All-In-One and get them all plus unfiltered hot and cold water for dishwashing. So, whether you're cooking instant mac and cheese, making a pitcher of southern sweet iced tea or just need a cool, crisp glass of sparkling water, the choice is at your fingertips.

SMART INNOVATIVE TECHNOLOGY

Zip's fourth generation technology has been perfected over 70 years of development and innovation. Embodying functionality, the HydroTap is ideal for those who want appliances that save time, reduce energy consumption, are straightforward to use, simple to maintain, and make life in the kitchen a whole lot easier. The HydroTap is one kitchen product you simply can't live without.

Advanced energy management system

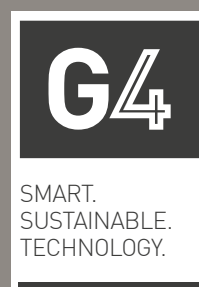

Reduces power consumption by up to 30%

Lowers energy consumption

HydroTap costs around \$1.00 per week to operate

Eliminates the need for bottled water

Reducing your environmental impact
