Autoignition Pt: No data.

Suitable Extinguishing Media: Dry chemical, CO2, alcohol-resistant foam or water spray.

Unsuitable Extinguishing

Do NOT use a solid stream of water. Water spray may be ineffective on fire but can

protect firefighters and cool closed containers.

As in any fire, wear a self-contained breathing apparatus in pressure-demand, **Fire Fighting Instructions:**

MSHA/NIOSH approved (or equivalent), and full protective gear.

Flammable Properties and

Hazards:

Media:

Cool containers with water spray until well after the fire is out.

Hazardous Combustion

High temperatures and fire conditions can result in the formation of carbon monoxide and

Products:

carbon dioxide, and oxides of: nitrogen, sulfur.

6. ACCIDENTAL RELEASE MEASURES

Protective Precautions, Protective Equipment and Emergency Procedures:

Use proper personal protective equipment as indicated in Section 8.

Environmental Precautions: Do not let product enter storm drains, storm sewers, watersheds or water systems unless

authorized.

Steps To Be Taken In Case Material Is Released Or Spilled:

Ensure adequate ventilation. Isolate hazard area. Keep unnecessary and unprotected personnel from entering. ELIMINATE all ignition sources (no smoking, flares, sparks or flames in immediate area). Spills produce a slipping hazard.

Small Spills: Soak up spill with absorbent material. Flush remaining area with water to

remove trace residue and dispose of properly.

Large Spills: Wear appropriate protective equipment, including respiratory protection, as conditions warrant (see Section 8). Prevent further leakage or spillage if safe to do so. Use clean non-sparking tools to collect absorbed material. Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local / national regulations (see section 13). Following product recovery, flush area with water.

7. HANDLING AND STORAGE

Precautions To Be Taken in

Handling:

Keep away from heat, sparks and flame. Keep away from sources of ignition - No smoking. Do not eat, drink, or smoke when using. Avoid contact with eyes.
