

BIGTOOLRACK®

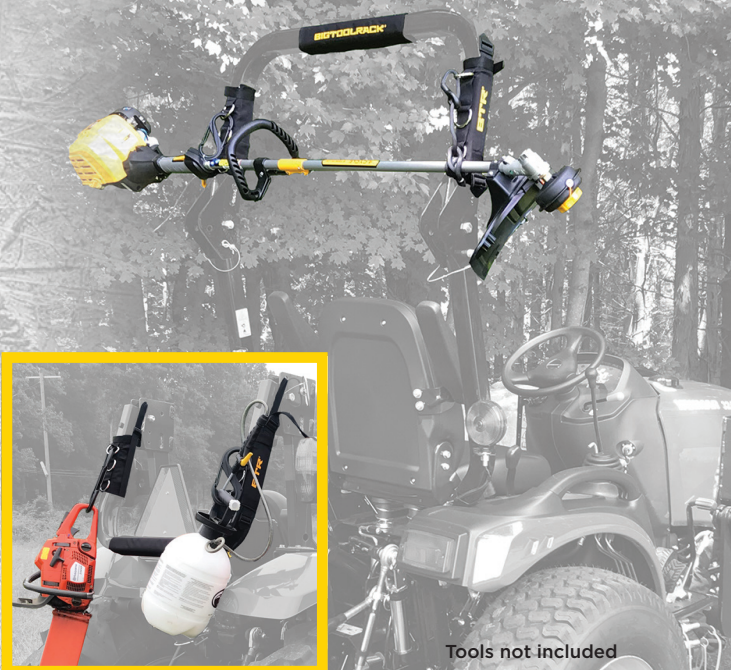

THE ULTIMATE ATTACHMENT

RopsRackPack™

Innovative NEW PRODUCT!

Patent Pending

Tools not included

Works with the ROPS bar in both the UP and DOWN position!

Attaches quickly & easily to your tractor or zero turn mower — no drilling, no hardware

- Safely and securely transport landscape tools, power equipment, supplies and more to your worksite
- Made from heavy duty, ballistic nylon with an industrial strength hook/loop closure
- Attaches to your existing rollbar
- Innovative design reduces downtime, no need to drill or alter your existing rollbar
- Secure your tools and supplies to D-rings using Carabiner latches, gear ties, Velcro straps, bungee cords, rope, zip ties and more
- Accessorize your RopsRackPack™ with items featured on back page
- Includes:
 - 1 - Anchor Sleeve
 - 2 - Side Sleeves
 - 2 - Straps
 - 2 - 24" Twist Ties
