instruction

Altar Quest

Contents

1. Five Miniature Racks
2. Two Feature & Altar Boxes
3. Two Trap Boxes
4. Six Card Boxes
5. Five Token Boxes

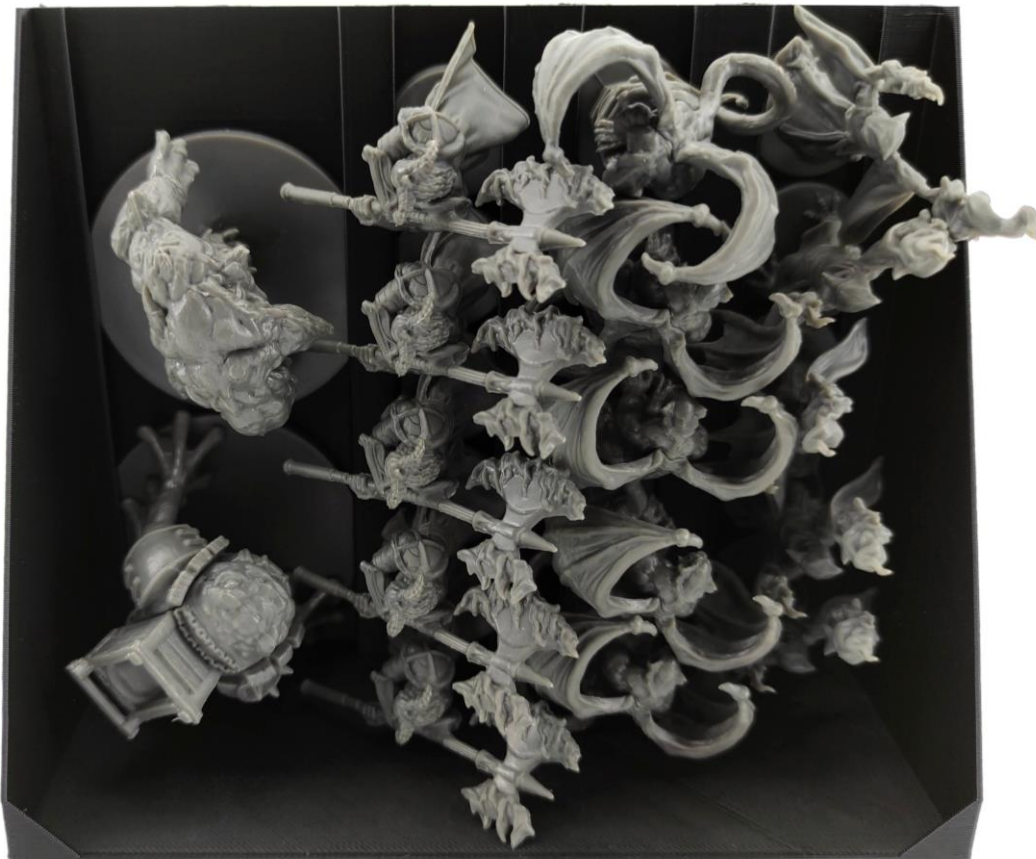

Miniature Racks

1. Three Minion Racks
2. One Hero Rack
3. One Door & Villain Rack

Important: Two of the minion racks are the same size – the third one is slightly bigger. It has a wide slot for the two boss miniatures with a bigger base and additional space for the tallest miniatures. Make sure to follow the instruction on the next pages.

Please note: Some miniatures do not fit in the outermost slots and must be placed in the three middle slots.

Miniature Rack I – Side 1

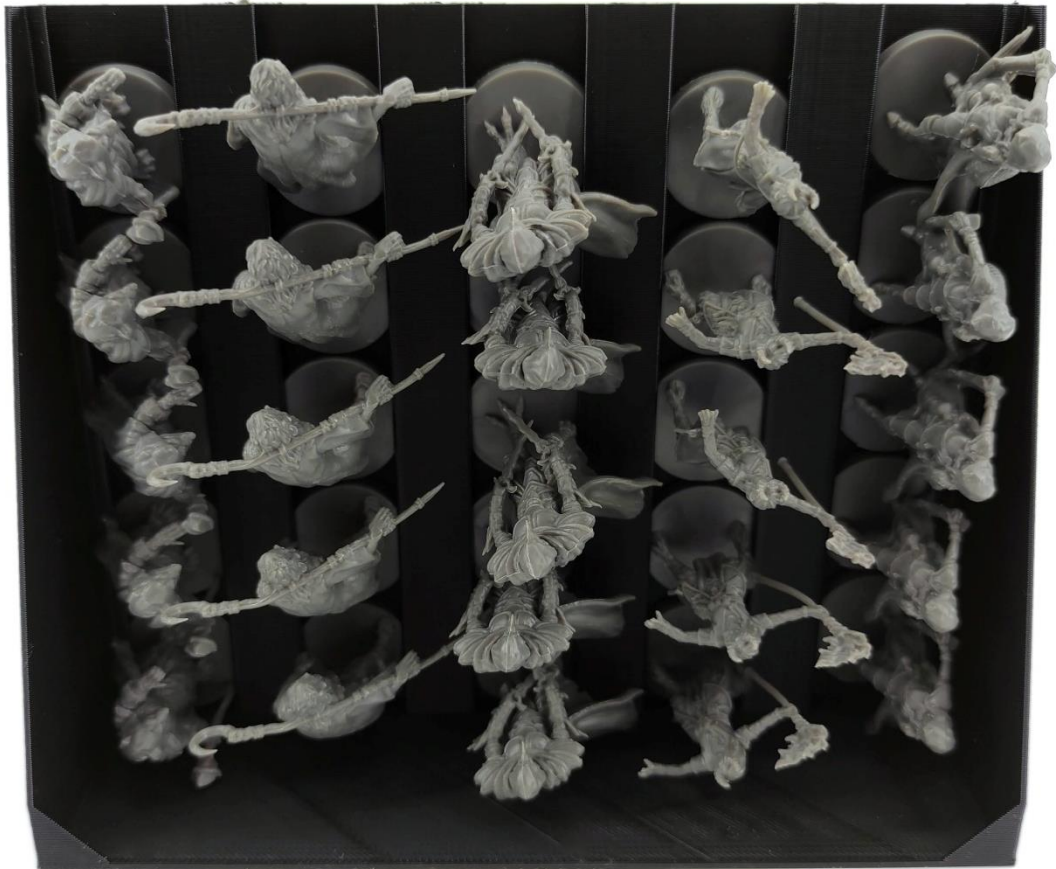

Make sure to place the miniatures in this rack exactly like shown in the image!

From left to right:

Bosses, Bray Moltenite, Gargoyles, Shadowbender.

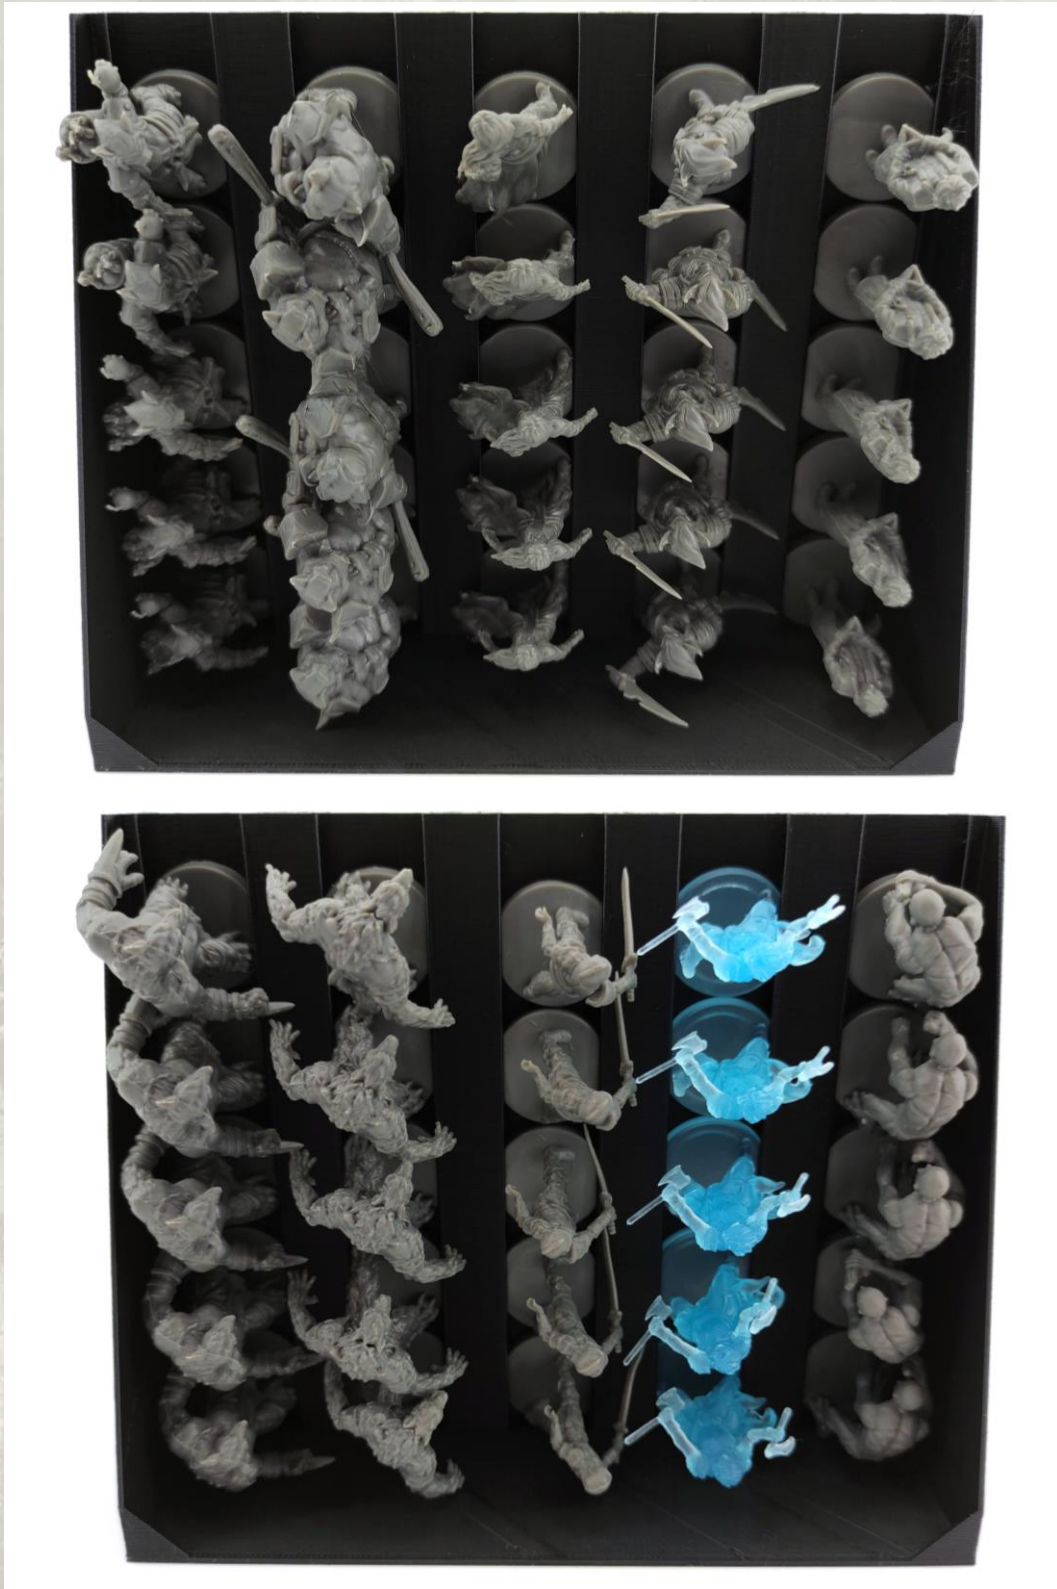

Note that the top Gargoyle and the top Shadowbender are looking down while the rest of those miniatures is looking up.

Make sure that no miniature protrudes over the miniature rack.

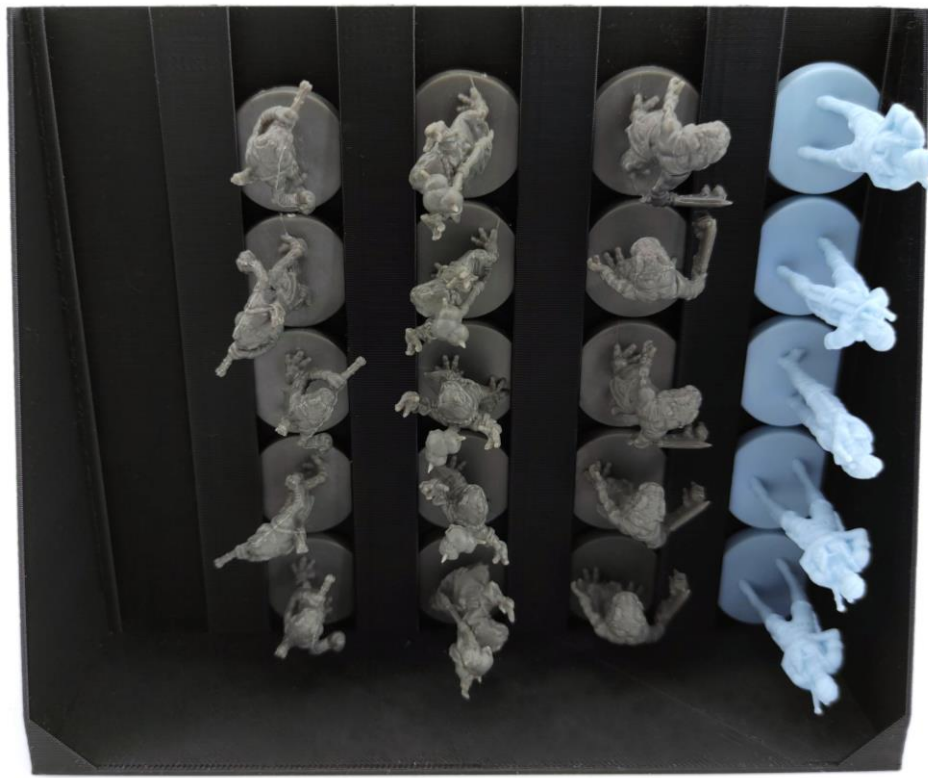

Miniature Rack I – Side 2

Side 2: No special placement is needed. Any miniature that is having five copies will fit in the rack.

Miniature Rack II

No special placement is needed. Any miniature that is having five copies will fit in the rack. **This rack is identical with rack III.**

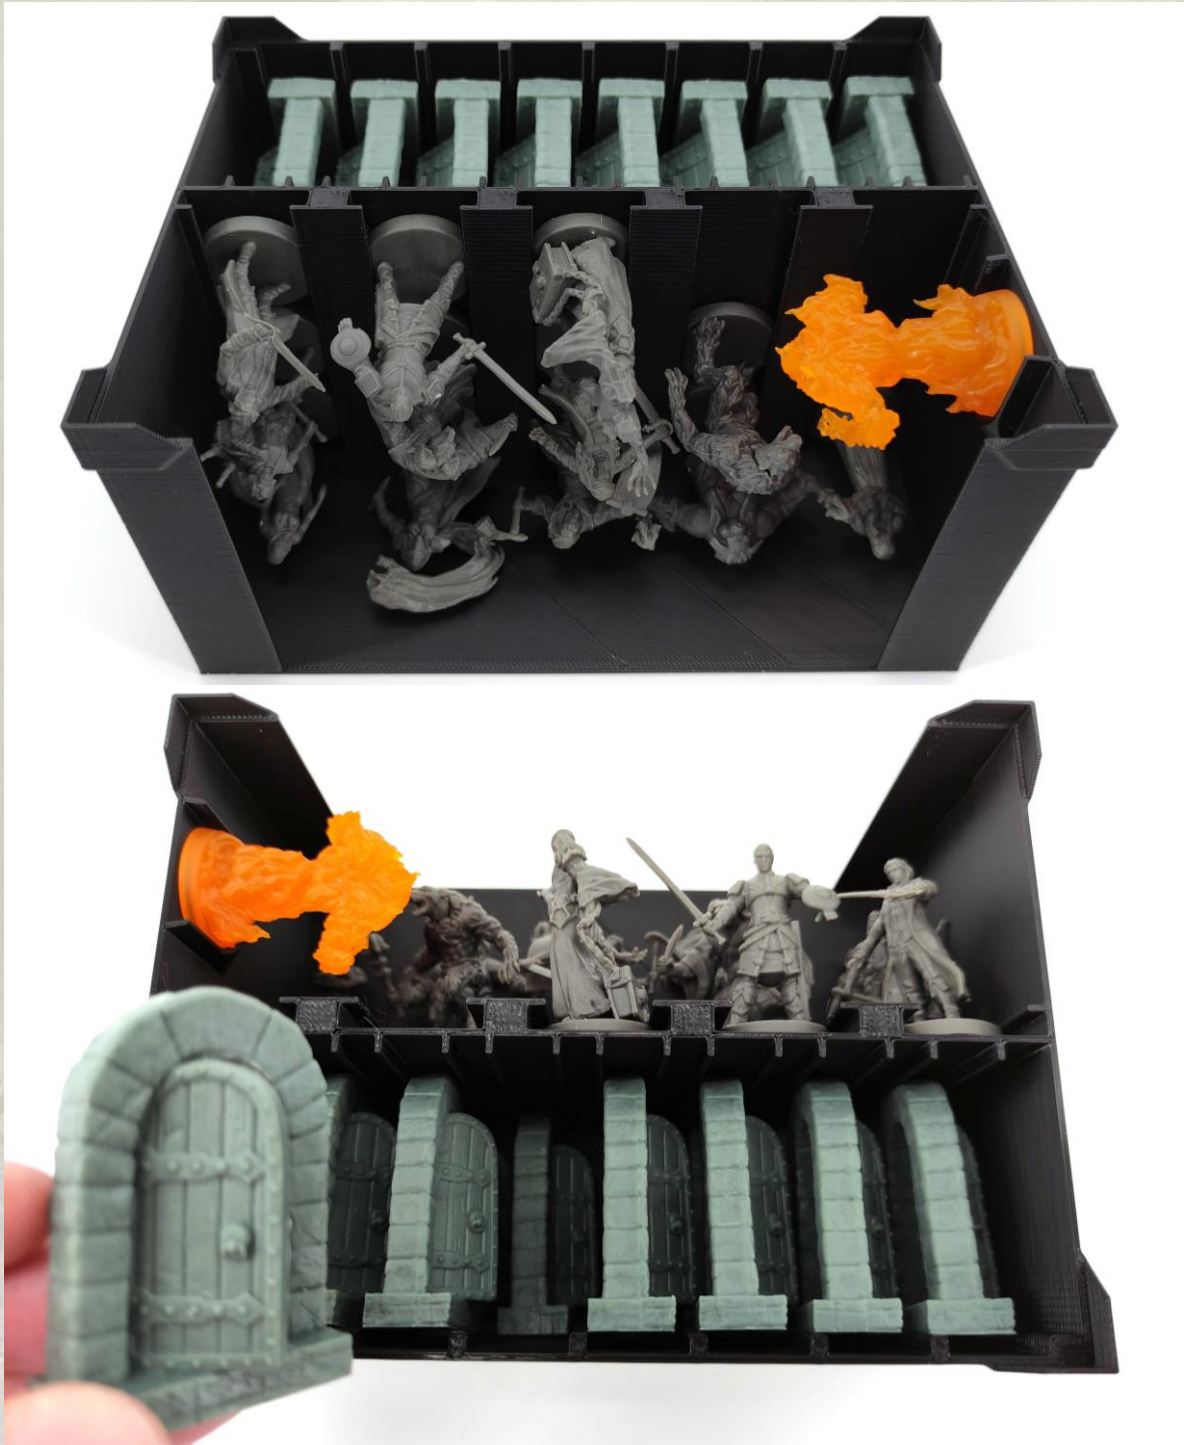

Miniature Rack III

No special placement is needed. Any miniature that is having five copies will fit in the rack. **This rack is identical with rack II.**

Miniature Rack IV

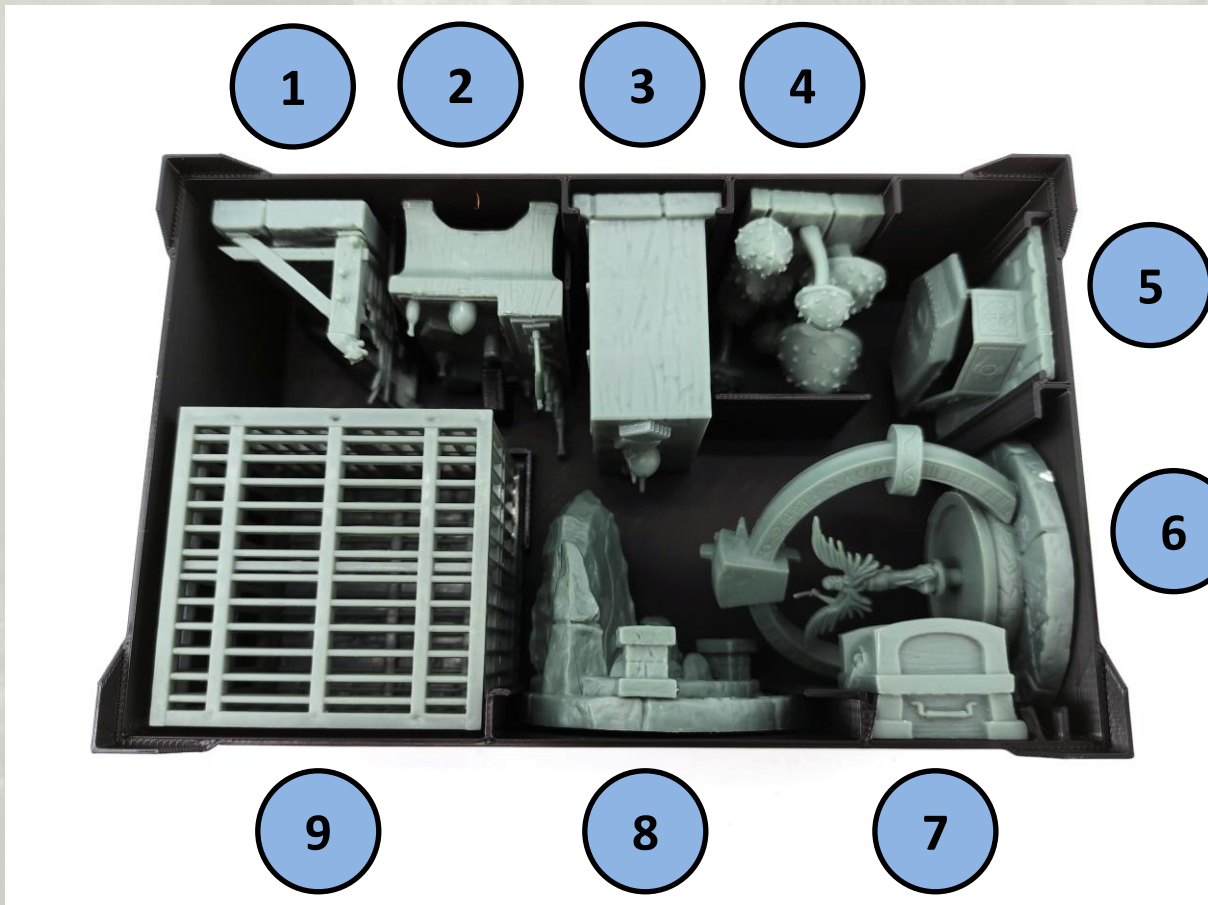

This miniature rack is used for all hero miniatures. Please note that one side is bigger than the other. Some taller heroes need to be placed on the bigger side. Make sure to check that no miniature protrudes over the rack when placing them in it.

Miniature Rack V

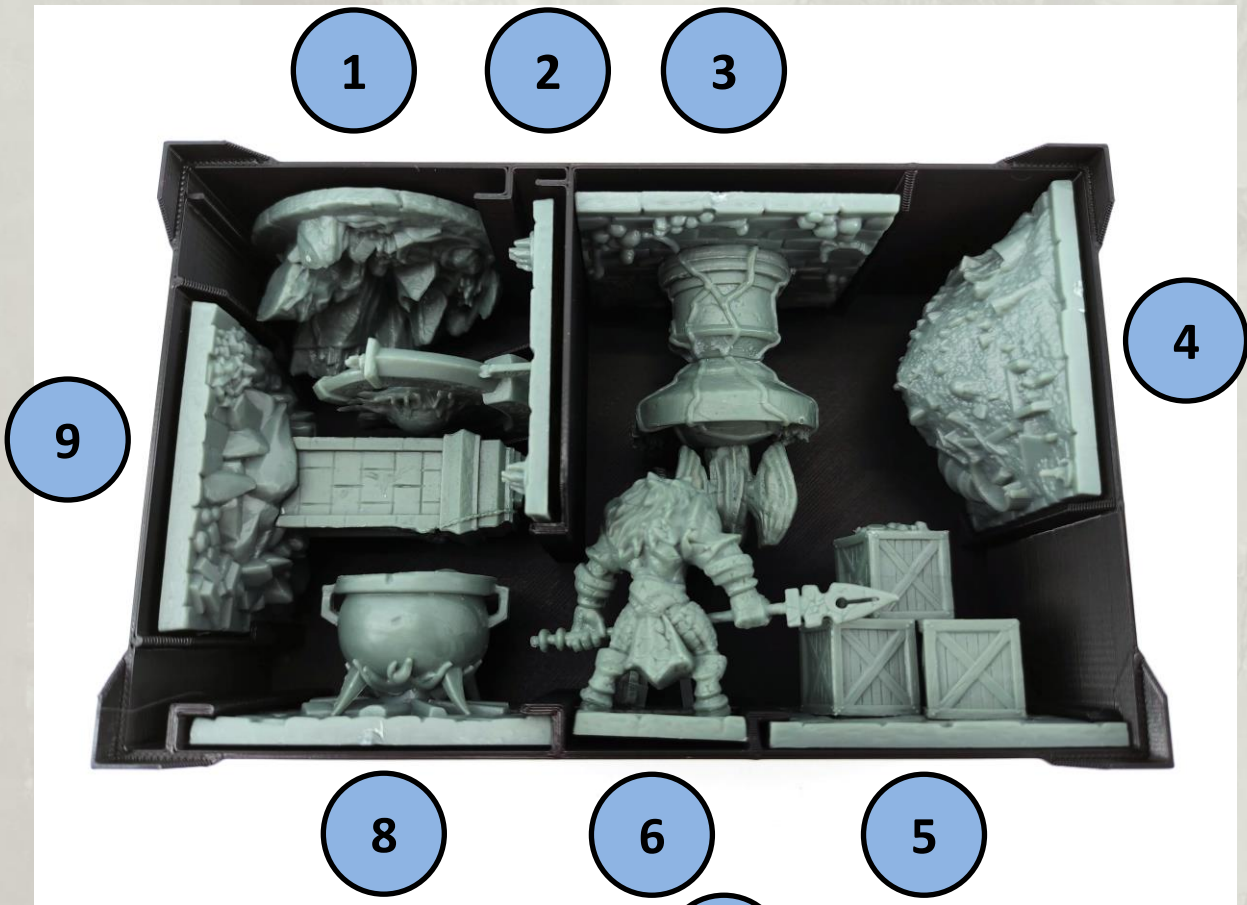

All villains or other miniatures with only one copy are placed in this rack. Make sure Vraka (orange miniature) is looking downwards.

This rack also stores all of the doors. Make sure to place them like displayed in the bottom image.

Feature & Altar Box I

1. Weapon Rack
2. Alchemy Desk
3. Bookcase
4. Fungal Patch
5. Coffin
6. Blessed Fountain
7. Locked Chest
8. Altar
9. Cage

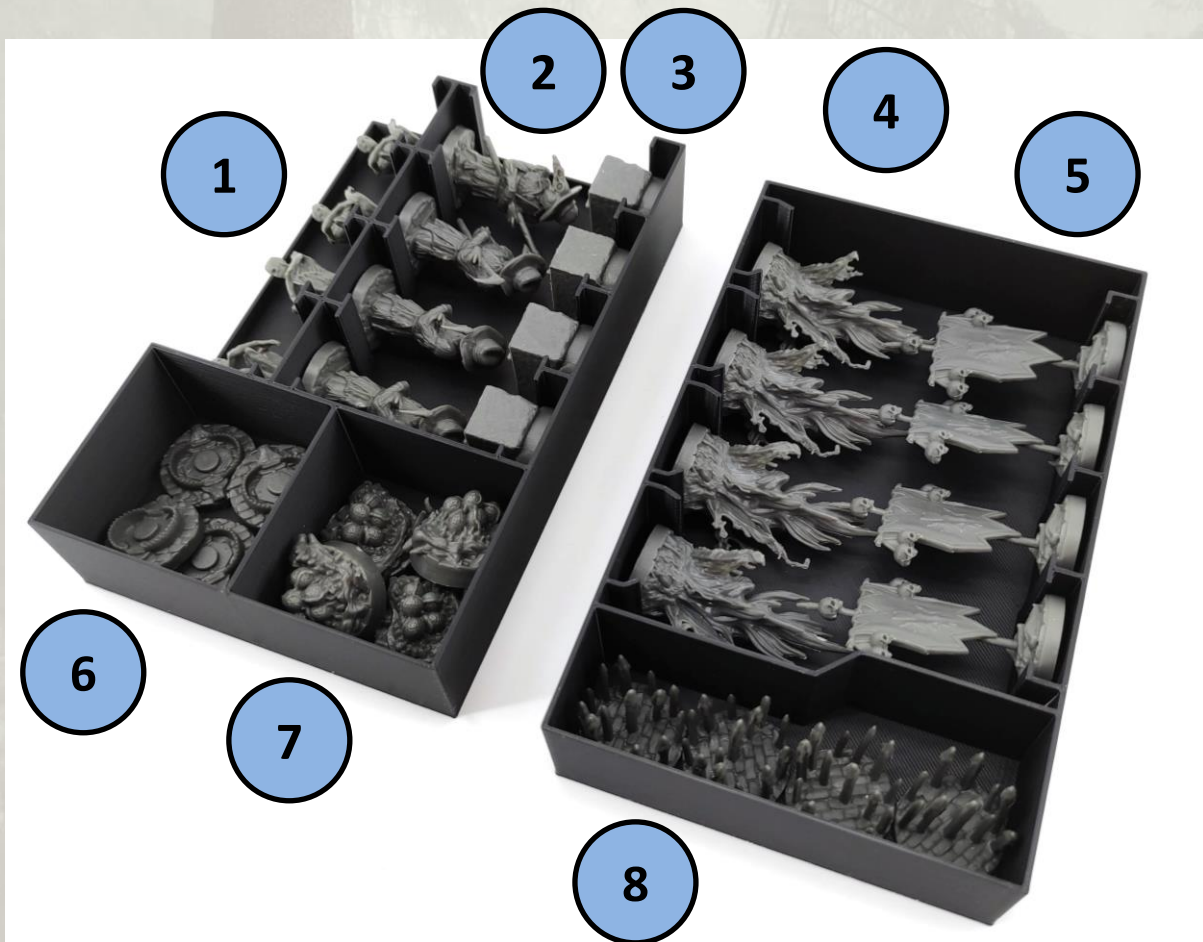

Feature & Altar Box II

1. The First Altar
2. Scorched Altar
3. Altar of Disease
4. Garbage Heap
5. Crates
6. Mystical Mirror (below Szera's Chosen)
7. Szera's Chosen
8. Cauldron
9. Altar of Greed

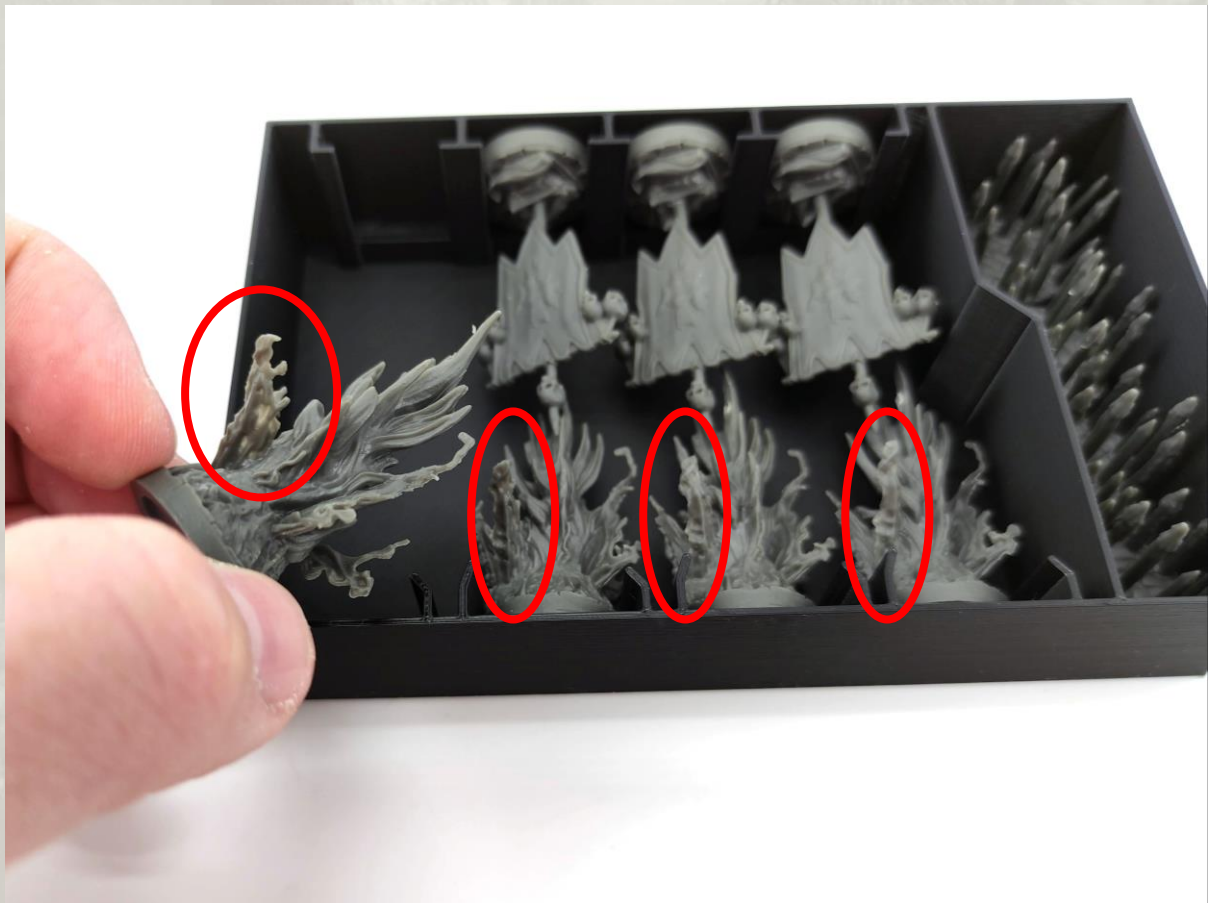

Important:

- The angel on the Altar of Disease & Szera's Chosen need to face down.
- Make sure to place the Garbage Heap and the Altar of Greed exactly like shown in the picture. They will only fit this way.

Trap Boxes

1. Sacrifices to Lune
2. Crowl Decoys
3. Feeding Throughs
4. Fire Spray (**see next page for exact placement**)
5. Banners of Morn
6. Steel Maws
7. Plague Nests
8. Muckstakes

Fire Spray Placement

When placing the Fire Spray traps, make sure that the highlighted geometry feature is pointing upwards.

Card Boxes

Depending on which expansions you own and if you are using card sleeves (up to 100 micron card sleeves are supported) you will need a different combination of card boxes.

If you own all expansions and Kickstarter exclusive content, and you are not using card sleeves, two medium card boxes and one big card box will be needed to store all cards. If you are using 100 micron card sleeves instead, all boxes will be needed.

Trap Boxes I & II

1. Dice compartments:
Two compartments for each set of Altar Dice
Four compartments for each set of Hero Dice
2. Stair Tile (placed in the cutout of dice compartments)
3. Plastic Rings
4. Quest Tokens
5. Progress Tokens (two compartments)
6. Damage Tokens (two compartments)

Trap Boxes III, IV & V

1. Search Tokens
2. Focus Tokens
3. Threat Tokens
4. Supply Tokens
5. Inspiration Tokens
6. Melody Tokens
7. Snare Tokens
8. Armor Tokens
9. Rival & Ally Tokens
10. Action Tokens
11. Trap Tokens

Component Storage #1

Take the base game box and place the map board in it.

Component Storage #2

Place the miniature racks II & III in the box.

Component Storage #3

Place the miniature racks I & V in the box.

Component Storage #4

Place the miniature rack IV on top of miniature rack V.

Component Storage #5

Place the token boxes I & II in the remaining gap.

Component Storage #6

Place both feature & altar boxes on top of the token boxes.

Component Storage #7

Place both trap boxes on top of the feature & altar boxes.

Component Storage #8

Place the instructions on top of the boxes and racks.

Component Storage #9

The first box is finished.

Component Storage #10

Take the Ruins of Arkenspire box and place the alternative map board in the box.

Component Storage #11

Place the two encounter boards on top of the alternative map board.

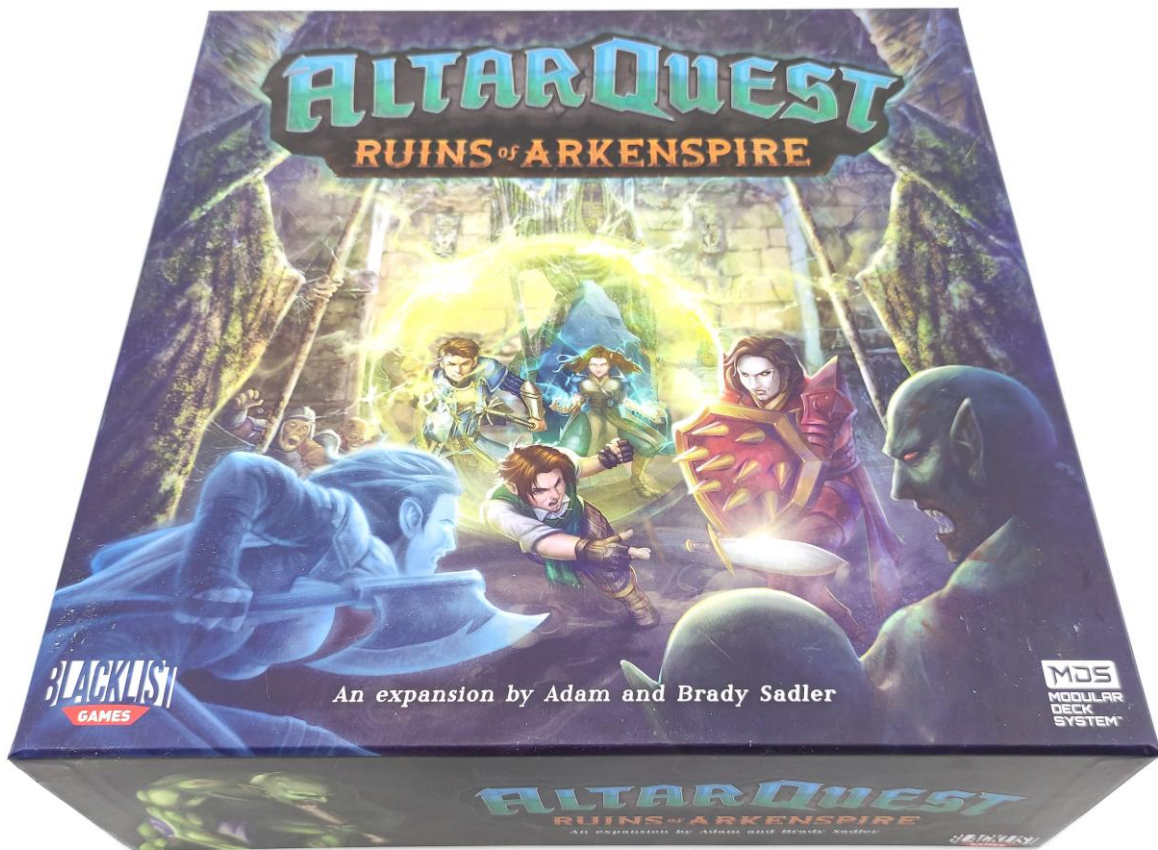

Component Storage #12

Place the medium and big card boxes on both sides of the box.

Component Storage #13

Place the two small card boxes and token box I, II & III in the remaining gap.

Component Storage #14

The second box is finished.
