### Twelve Miniature Racks & Token Boxes

Each faction has one Miniature Rack and one Token Box. Both have the faction's name on them. Here are some close-ups.

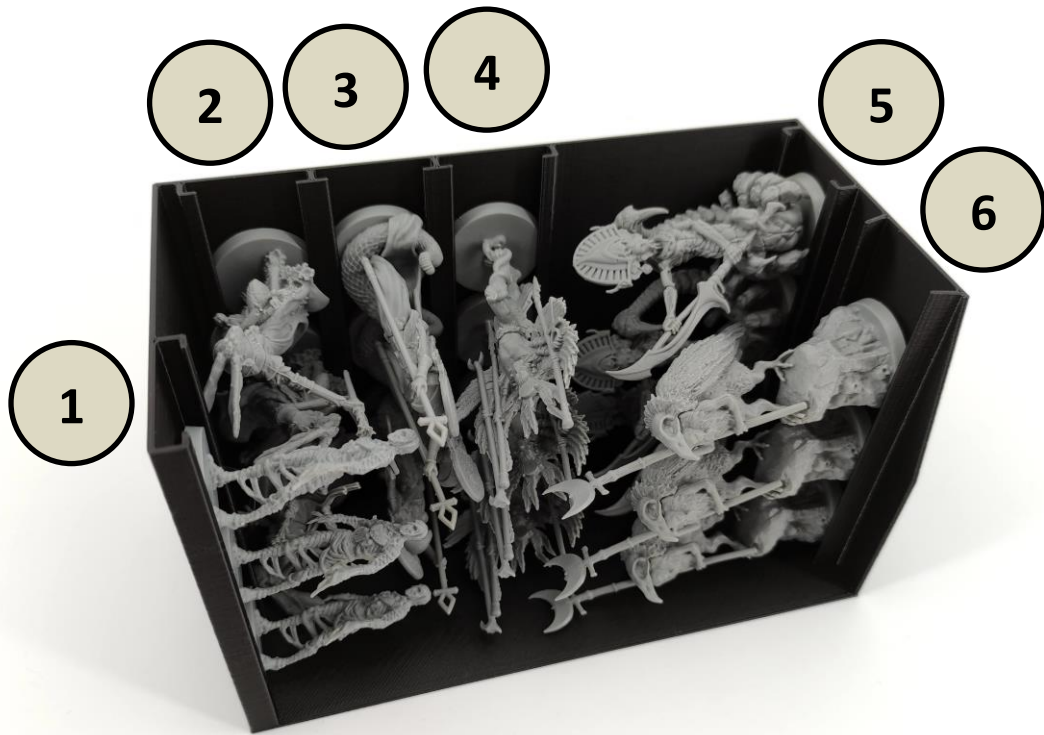

### Guardian Rack #1

1. Pharaoh Mummies
2. Mefdet
3. Cat Mummy
4. Satet
5. Medjed

### Guardian Rack #2

1. Mummy
2. Unut
3. Wadjet
4. Heka
5. Serket
6. Nekhbet

### **Temple & Obelisk Box and Pyramid & Sphinx Box**

Place all components as shown in the picture above.

The temples will only fit in one of the compartments, make sure to orientate them in the same way as shown.

### **Pharaoh and Merged God Plinth Boxes**

Slide the Pharaoh into the slot of its box and place the Merged God Plinth in its box.

### Token Box #1

Place all tokens as shown in the picture above.

## Token Box #2

This box holds tokens which got upgraded with the Divine Offerings expansion or as part of Stretch Goals.

## Card Boxes

Card Box #1 holds the medium cards, while Card Box #2 holds the big cards as well as the cardboard and 3D cities.

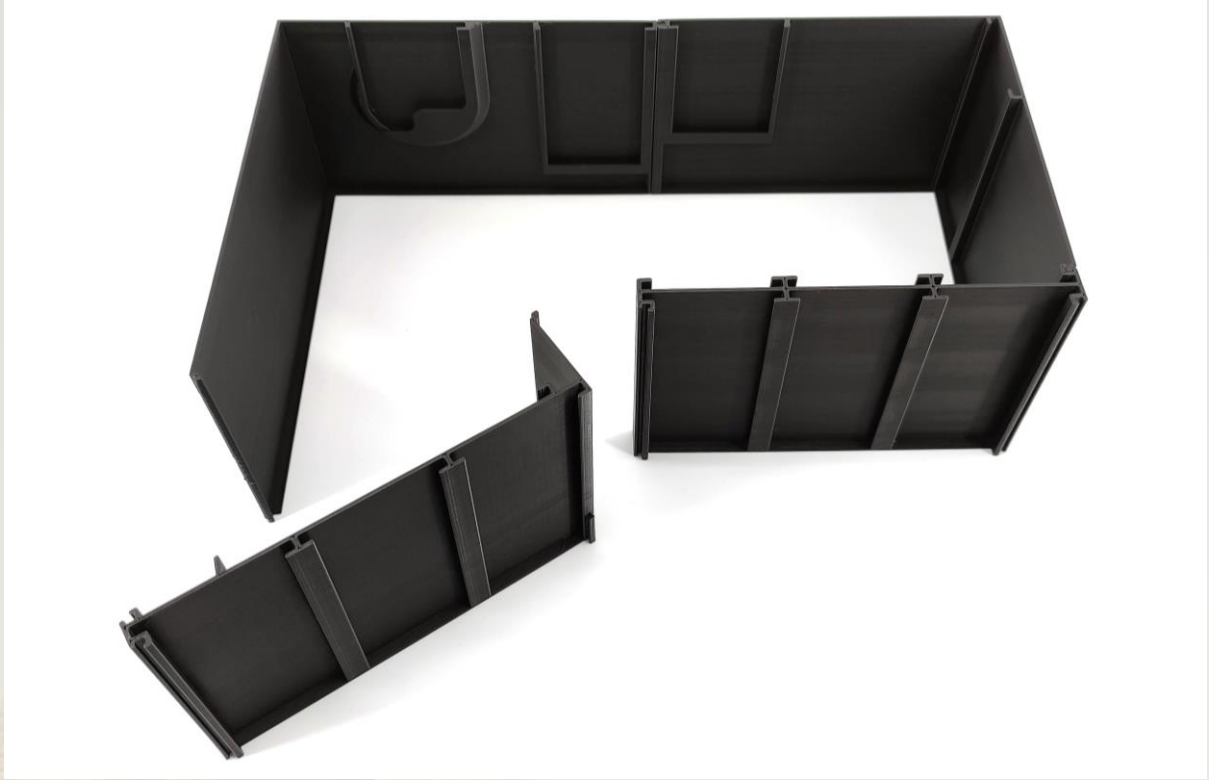

### **Assembling the Gods & Guardians Insert #1**

Take the two frame parts that have a miniature mount at their joint. Place one of the parts on a solid surface and push the other into the slot from above.

### **Assembling the Gods & Guardians Insert #2**

The next part is the small straight one with miniature mounts on both sides.

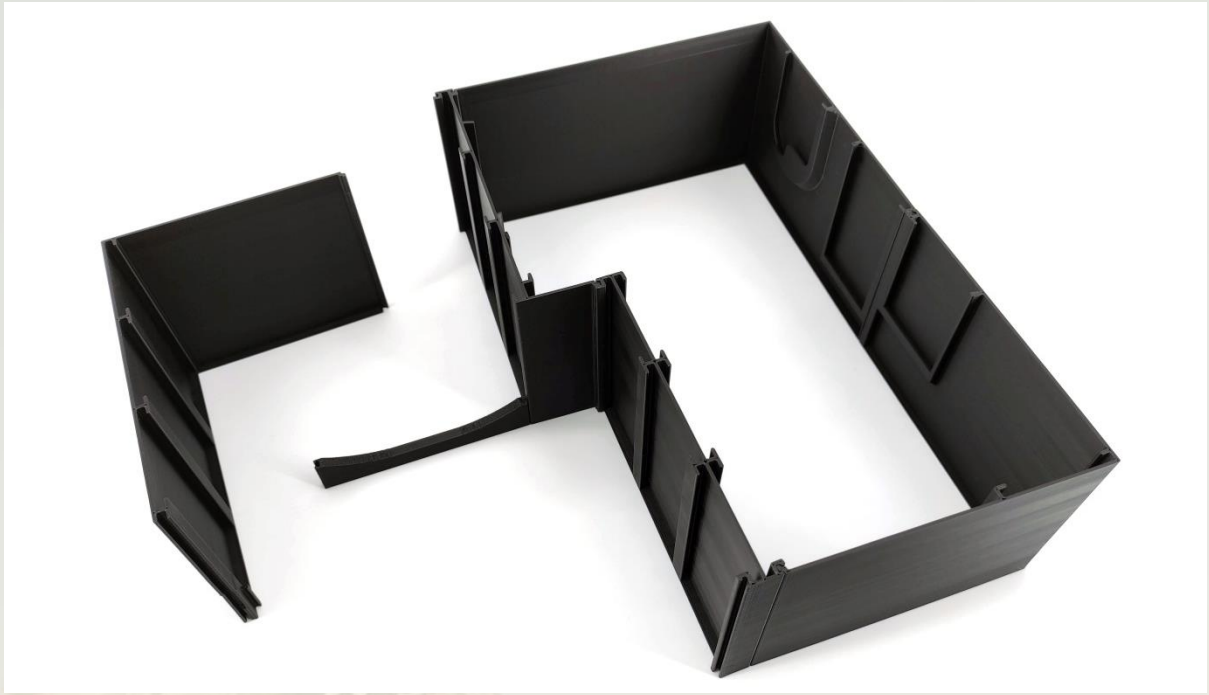

### **Assembling the Gods & Guardians Insert #3**

The L-shaped part follows. Please note that it must be inserted into two slots at the same time.

#### **Assembling the Gods & Guardians Insert #4**

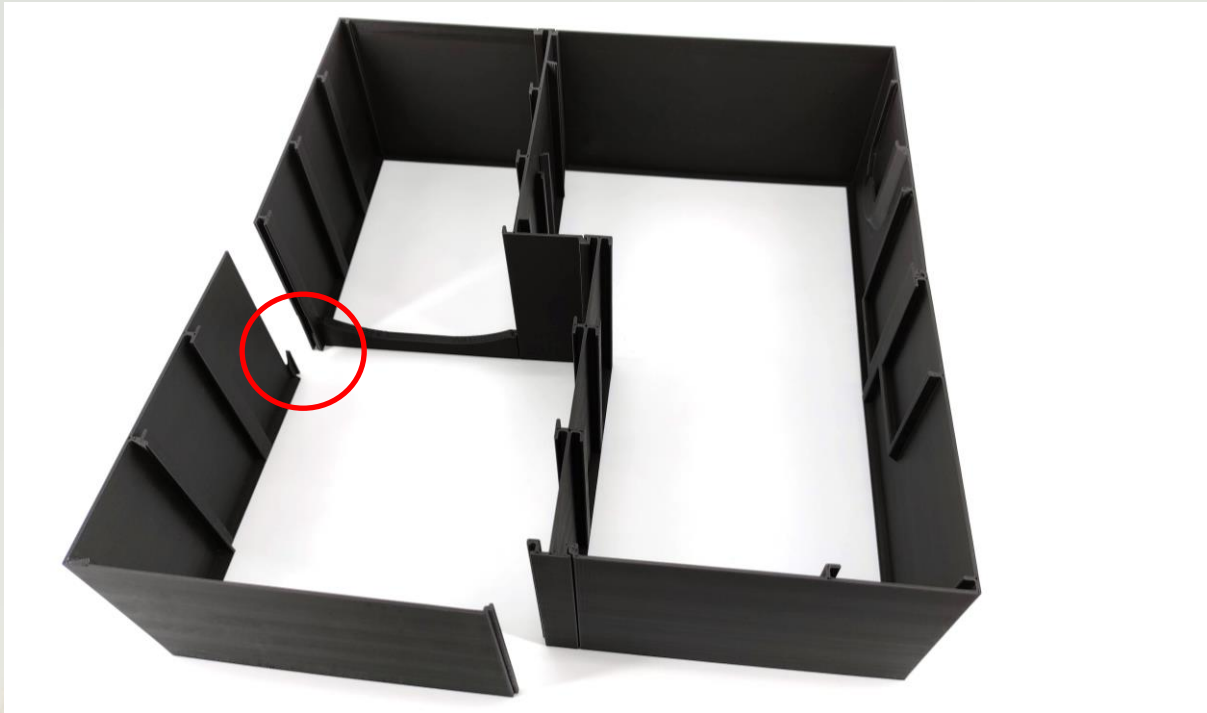

Now add the small connection piece.

### **Assembling the Gods & Guardians Insert #5**

Of the two remaining parts, use the slightly smaller one next.

### **Assembling the Gods & Guardians Insert #6**

Now add the final part. Please note that on one side (red circle) the parts will only join at the bottom area.

### **Assembling the Gods & Guardians Insert #7**

Now place the insert in one of the big game boxes.

### **Assembling the Gods & Guardians Insert #8**

Lower row (from left to right): Ammit, Khepri, Bennu, Pazuzu, Androsphinx and Apep.

Upper row (from left to right): Am-Heh, Griffin, Bes, Shezmu, Tawere and Babi.

### **Assembling the Gods & Guardians Insert #9**

It is possible to store some of the miniatures in a different position or with a different orientation. However, Petsuchos, Sobek and Osiris must be stored exactly as shown.

### **Component Storage #1**

Proceed with the box that holds the Gods & Guardian Insert and place the map board on top.

## Component Storage #2

Place all game boards (cardboard and paper versions) on top of the map board (this does not include the dashboards).

### **Component Storage #3**

Proceed with the second box and place the Pyramid & Sphinx Box in it.

#### **Component Storage #4**

Place the Guardian Rack #1 and Card Box #2 on top.

### **Component Storage #5**

Place the Merged God Plinth Box next to the other boxes and place the Pharaoh Box on top of it.

### **Component Storage #6**

Card Box #2 is placed next to the Pharaoh Box and all Faction Token Boxes with two beveled edges are placed on top of each other in the gap. Make sure the beveled edges are facing each other.

### **Component Storage #7**

Place the remaining two Faction Token Boxes in the box.

### **Component Storage #8**

Guardian Rack #2 is stored on top of the Faction Token Boxes.

### Component Storage #9

Place the Faction Miniature Racks in the remaining gap. Make sure to orientate them like shown in the picture. All beveled sides need to face outwards (red arrows).

### **Component Storage #10**

Place the Temple & Obelisk Box and Token Box #1 on top of the Faction Miniature Racks.

### Component Storage #11

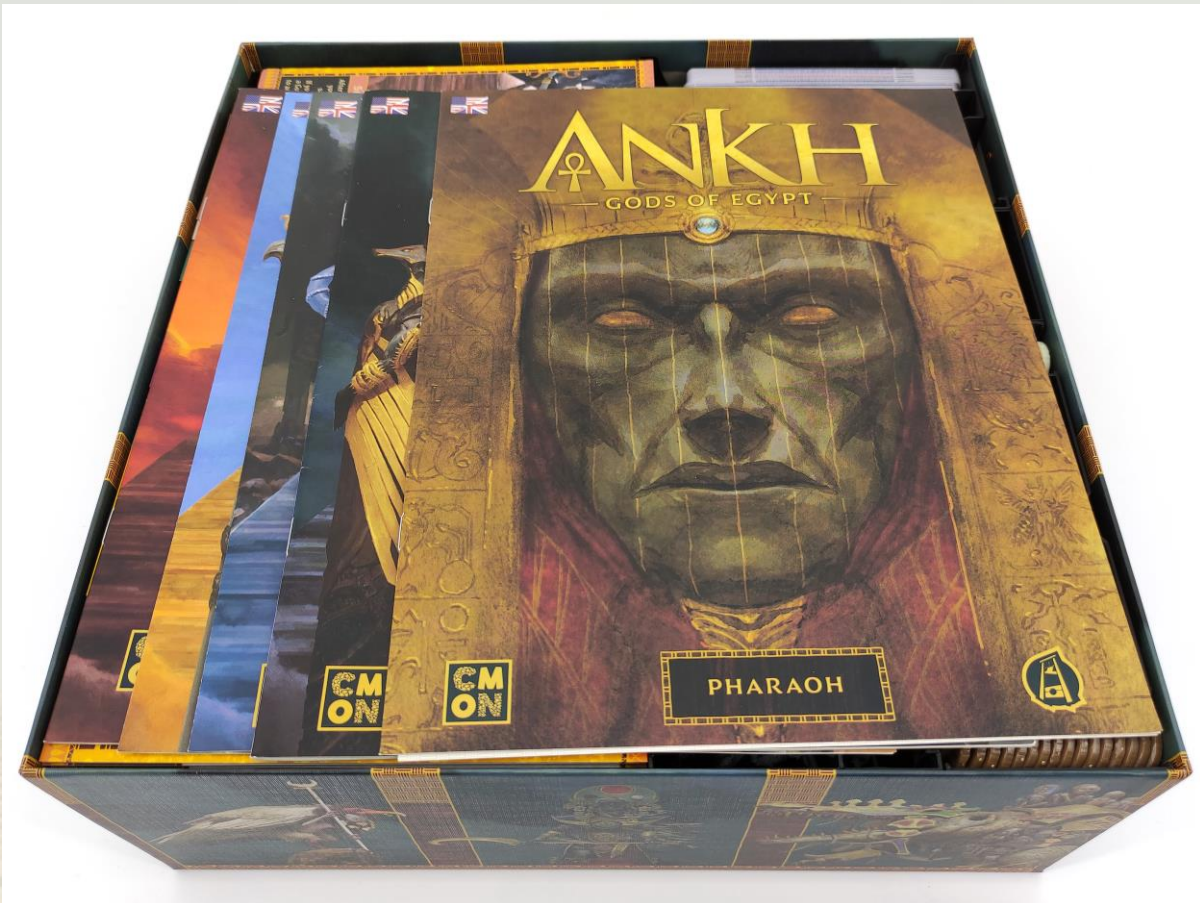

Place the God Dashboards (paper version) on top of the Token Boxes.

## Component Storage #12

Place the Merged God Dashboard (paper version) on top and distribute them evenly.

### Component Storage #13

Place the Rule Books on top.

## Component Storage #14

Proceed with the Divine Offerings Box. Place the God Dashboards and the Merged God Dashboards (cardboard version) in the box.

## Component Storage #15

Place Token Box #2 on top of the God Dashboards.
