Everdell

Updated Version for Mistwood & Newleaf

List of Contents

1. 5 stackable Worker Boxes
2. 14 stackable Resource & Token Boxes
3. 4 Card Boxes
4. 1 Wonder Box
5. 4 Token & Big Critter Boxes
6. 1 Place Holder

For easier identification all boxes are marked with a code (M1, M2, etc.) on their bottom. If you bought the Update Pack, only the new boxes will be marked.

Worker Boxes #W1 - #W5

When placing the workers, make sure to place them in two layers, always placing them on their flat side, so the boxes will stack without any problem.

The compartments of #W4 and #W5 are slightly smaller. So some of the Workers might only fit in #W1 - #W3.

Token Boxes #T1 - #T14

When stored in the game box, these boxes are stacked on top of each other and form four “towers” with the same height. Each color in the above picture forms one tower.
