

Tinkering Paws

BOARD GAME INSERTS

Gloomhaven – Jaws of the Lion

Standard Version – Page 3

Premium Version – Page 15

Dashboard – Page 30

Standard Version

List of Contents

1. One Monster Standee Tray
2. Four stackable Token Boxes
3. Two Card Boxes for Small Cards with 19 dividers
4. One Card Box for Big Cards with 2 Dividers
5. One Card & Token Box

Please note: In the Standard Version, everything character-related is stored in the Large Tuck Boxes. This includes: Character Mats, Ability Cards, Character Tokens, Reference Cards, Attack Modifier Cards and Sheet Pads.

Monster Standee Tray

Small standees with ten copies are placed in the first row.

Medium standees with four or six copies are placed in the second row. Make sure to place the Chaos Demon on the very right.

Big standees are placed in the last row. Make sure they are placed exactly like shown in the image.

Stackable Token Boxes

1. Bear Trap Tiles
2. Toxic Cloud Trap Tiles
3. Destruction Tiles
4. Damage Tokens (10)
5. Damage Tokens (3)
6. Damage Tokens (1)
7. Money Tokens
8. Condition Tokens
9. Treasure Tiles

Card Boxes for Small Cards with 19 dividers

These two boxes will store the following cards:

- Item Cards (Locked & Unlocked)
- Monster Attack Modifier Cards
- Battle Goals
- Monster Ability Cards
- Curse & Bless Cards

Use the big box if you do not use card sleeves. Use both boxes if you do. **See page 8 for an explanation of icons.**

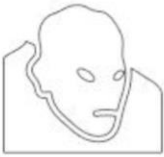

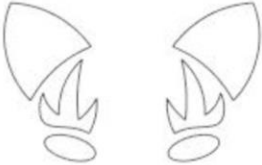

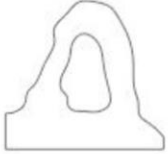

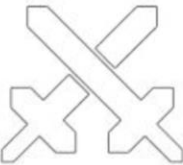

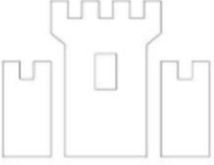

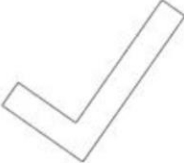

Card Box for Big Cards with 2 Dividers

This box will store the following cards:

- Event Cards
- Encountered Event Cards

See page 8 for an explanation of icons.

 <p>Battle Goals</p>	 <p>Bless Cards</p>	 <p>Character Curse Cards</p>	 <p>Monster Curse Cards</p>

Card & Token Box

1. Monster Stat Cards & Envelopes
2. Activation Tokens
3. Element Tokens
4. Initiative Order Tokens
5. Plastic Stands

Component Storage #1 – Standard Version

Place the four large Tuck Boxes in one of the corners and both Card Boxes for small card next to them.

Make sure that the Card Boxes are **EXACTLY** orientated like shown in the picture. (Low side to the right)

Component Storage #2 – Standard Version

Place the Monster Standee Tray and five of the Cardboard Boxes in the box (3 Character Boxes, 1 small locked Box, 1 big locked Box).

Component Storage #3 – Standard Version

Place box for big cards and the other three Cardboard Boxes in the game box.

Component Storage #4 – Standard Version

Place the Token Box in the remaining gap and the Card & Token Box on top of the Cardboard Boxes and the Card Boxes.

Component Storage #5 – Standard Version

Place the remaining components on top. Start with the City Map Board and then the books. Finally add the Element Board and the XP-/HP-Dials.

Dashboards (including 24 XP/HP Cubes)

See page 30 for an explanation of Dashboards

Component Storage #1 – Premium Version

Place the four Dashboards in one of the corners.

Component Storage #2 – Premium Version

Place the Cardboard Boxes like shown:

- Four character boxes and one big locked box flat on the floor
- One big locked box standing
- Both small locked boxes lying on their short side

Component Storage #3 – Premium Version

Place both Card Boxes for small cards in the gap. **Their low sides should face each other**, while the side with two reinforcements should face away from each other.

Component Storage #4 – Premium Version

Place the Card Box for big cards on top of both cardboard boxes.

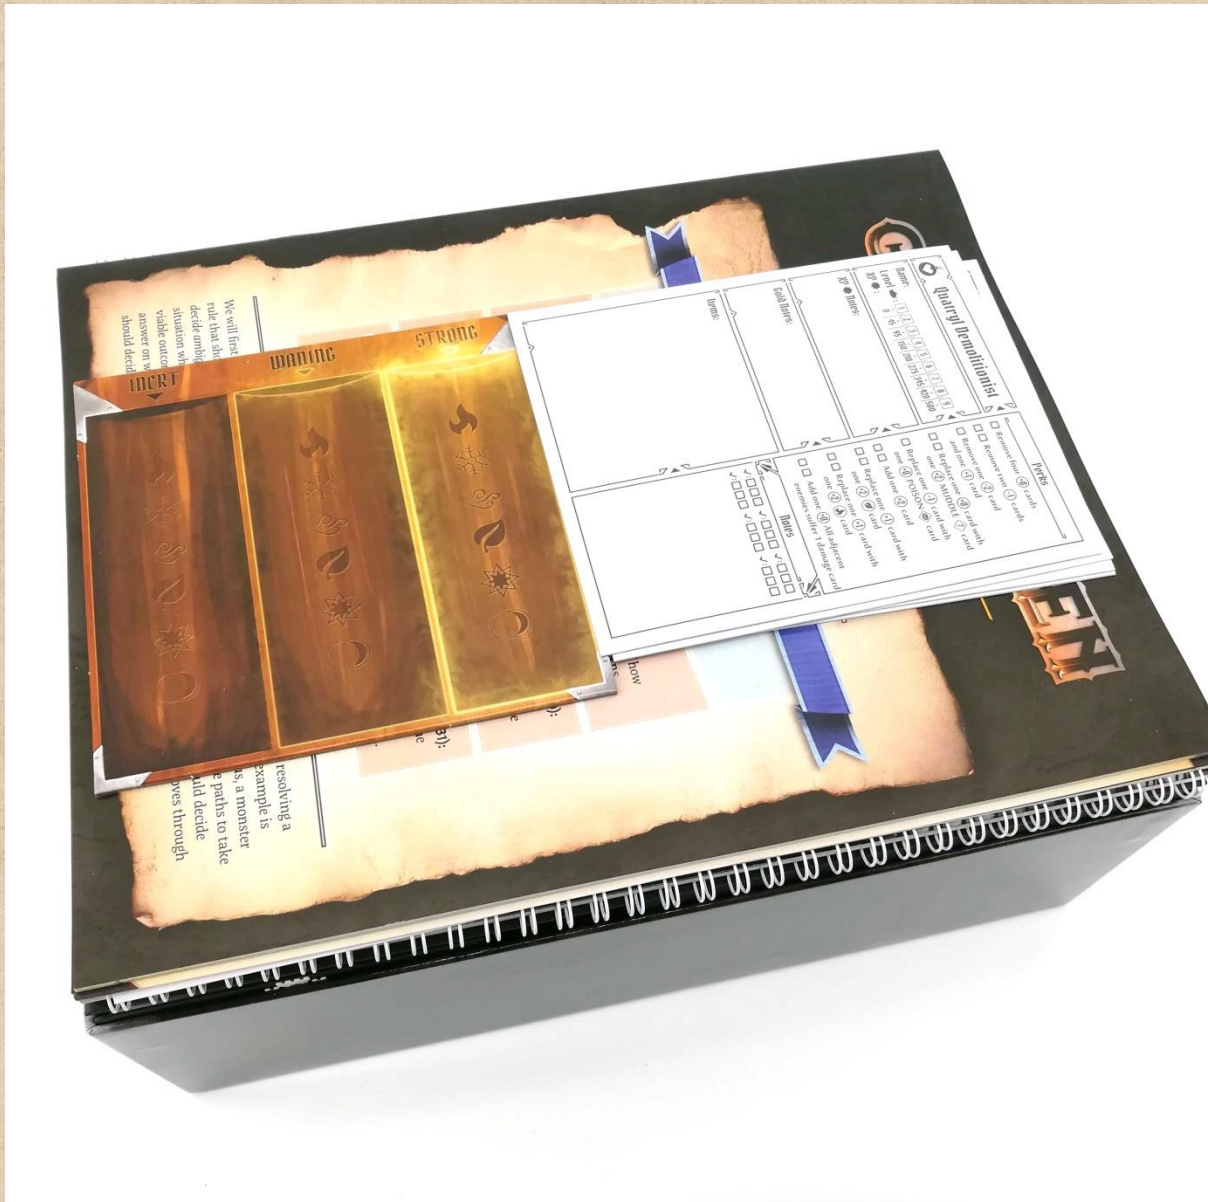

Component Storage #4 – Premium Version

Place the Token Box on top of the Card Boxes for small cards and the Monster Standee Tray on top of the Cardboard Boxes.

Component Storage #5 – Premium Version

Place the Card & HP/XP-Dial Box on top of the dashboards.

Component Storage #6 – Premium Version

Place remaining components on top. Start with the City Map Board, then the books. Finally add the Element Board and Sheet Pads.

Dashboards

List of Contents

1. Dashboard Deck
2. Storage Deck
3. XP/HP Cubes (6 per dashboard – 2 of those are replacements)

Dashboard Deck

1. Active Ability Cards (The two cards you chose each round)
2. Item Cards
3. Attack Modifier Deck
4. Discarded Ability Cards
5. HP-Track (For Values above 9 keep one die on "10" or "20")
6. XP-Track (For Values above 9 keep one die on "10" or "20")
7. You might want to place your Ability Deck in those two slots.
Depending on the number of cards, sleeve thickness, etc. this might not work properly.
8. Lost Ability Cards
9. Discarded Attack Modifier Cards

Storage Deck

1. Locked Attack Modifier Cards, XP/HP Cubes & Character Tokens. Please note that all cards in this tray cannot be sleeved.
2. Attack Modifier Deck & Item Cards. All cards in this tray can be sleeved.
3. Ability Deck, Locked & Unused Ability Cards. Please note that only the Ability Deck can be sleeved!
