# Retail Version

## Contents

1. Four Miniature Racks
2. Three Token Boxes with lids
3. One Location Box
4. Two Card Boxes

### **Four Miniature Racks**

These Miniature Racks will hold all miniatures of the retail version. Please note that the racks have different heights and some of the miniatures need to be placed in the taller racks.

The Hulk miniature is the biggest one and will occupy two spaces. We suggest you start placing him first.

### **Token Box #1**

Place the tokens like shown in the picture. Make sure to orientate them in the same way.

## Token Box #2

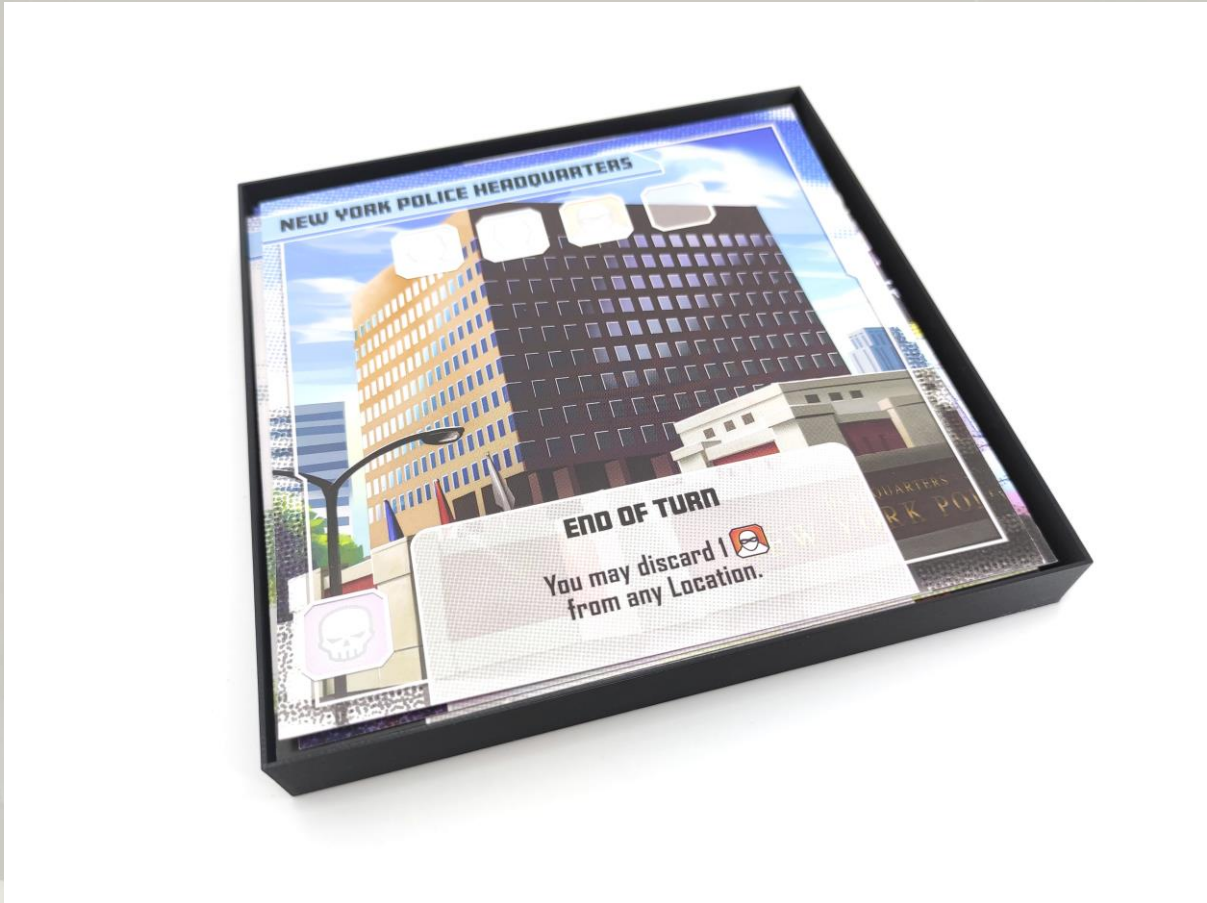

Place the tokens like shown in the picture. The lower right compartment stores the Threat Tokens, the Invulnerable Tokens and the Villain Tracker.

### Token Box #3

Place the tokens like shown in the picture.

## Location Box

This box will store all of the location cards.

## Two Card Boxes

Those two Card Boxes come with the following dividers: “Marvel United” (Base Game), “Spider-Verse”, “Guardians”, “Black Panther” and “Asgard”.

Depending on which expansions you own and if you are using card sleeves, you will need only one of the boxes or both.

### Component Storage #1

Place both Card Boxes and both taller Miniature Racks like shown in the picture.

## Component Storage #2

Place the remaining Miniature Racks next to the other ones.

### Component Storage #3

Place the three Token Boxes in the gaps. Make sure to place the lids on them.

If you are removing the insert from the game box, remove the Token Boxes before the Miniature Racks and the Card Boxes.

#### Component Storage #4

Place the Location Box on top of the Token Boxes and Miniature Racks.

### Component Storage #5

Place the rule books, the Villain Dashboards and the Mission Guide on top.

# Kickstarter Version

## Contents

1. Six Miniature Racks
2. One Gauntlet Box
3. Three Token Boxes
4. Two Location Boxes
5. Six Card Boxes

### Six Miniature Racks

These Miniature Racks will hold all miniatures of the Kickstarter version. Please note that the racks have different heights and some of the miniatures need to be placed in the taller racks.

**Important:** Some miniatures might have slightly bigger bases and will not fit in the normal slots. There are two lines labelled “XL” in the L-shaped Miniature Rack to store those miniatures. Those lines will still hold miniatures with a normal-sized base.

See the next page for some detailed images of each rack.

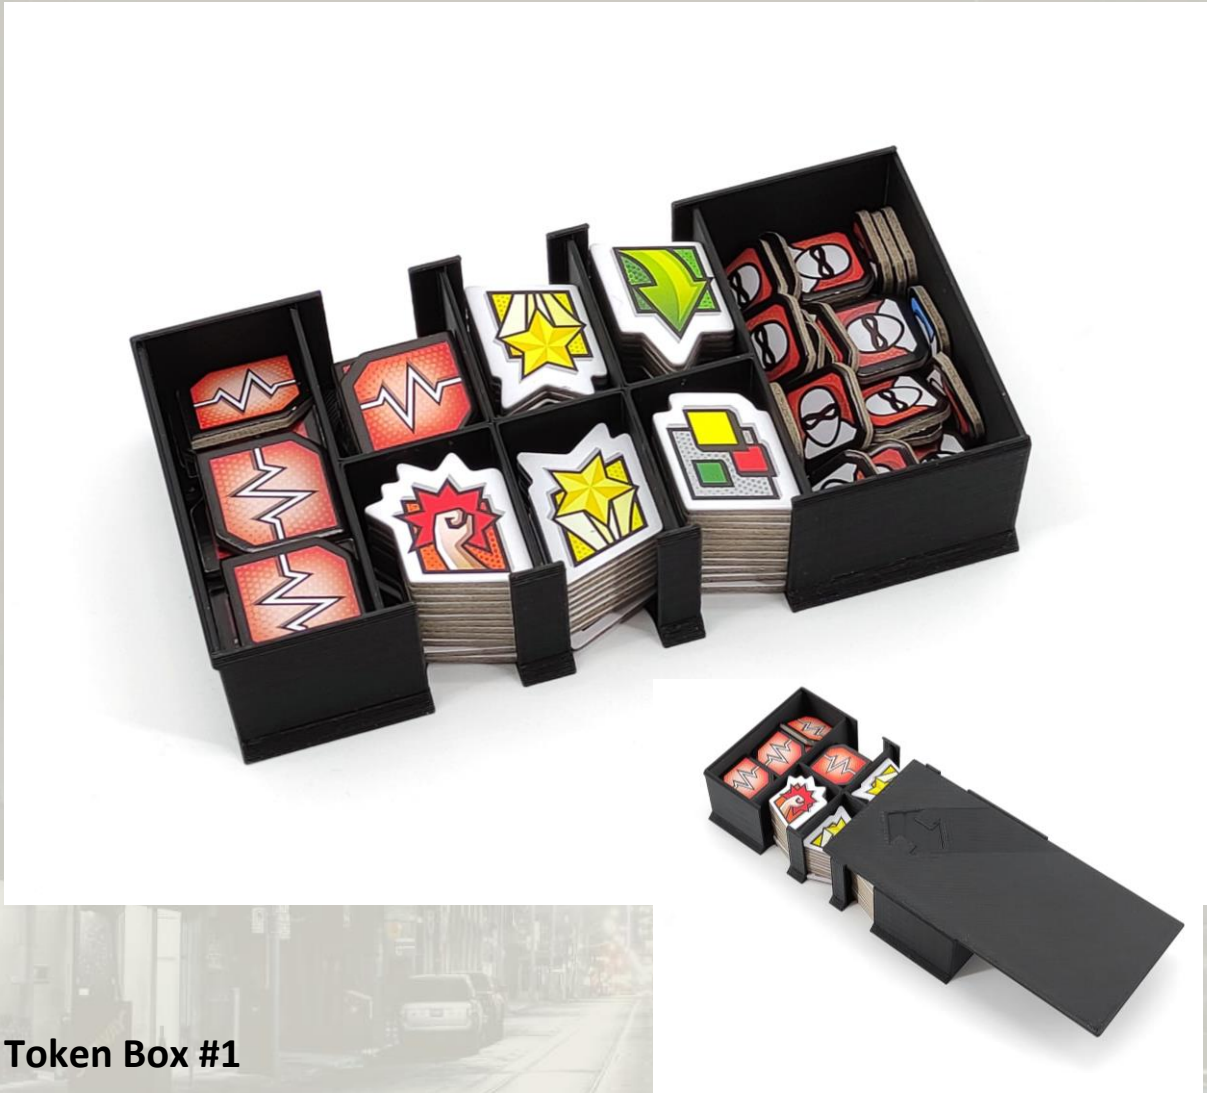

**Red Circle:** XL-Slots for miniatures with slightly bigger bases.

## Gauntlet Box

Slide the Token Box that comes with a lid into the slot of the bottom of the box. Then place the gauntlet into the box. There is one cutout for the thumb. Afterwards place the small Token Box above the fingers of the gauntlet.

### **Token Box #1**

Place the tokens like shown in the picture. Make sure to orientate them in the same way.

Please note that this box comes with a lid.

## Token Box #2

Place the tokens like shown in the picture.

### Token Box #3

Place the tokens and Villain Dashboards like shown in the picture.

## Location Boxes

These boxes will store all of the location cards, the cardboard locations and the location tokens.

### **Six Card Boxes**

Those six Card Boxes come with the following dividers: “Marvel United” (Base Game), “Spider-Verse”, “Guardians”, “Black Panther”, “Asgard”, “Infinity”, “Sinister Six”, “Heroes” and “Villains”

Depending on which expansions you own and if you are using card sleeves, you will need all or just some of the boxes.

### Component Storage #1

Start with the big **Stretch Goal Box** and place the four smaller **Miniature Racks** in it. Make sure they are facing each other.

## Component Storage #2

Place the Token Box containing the Villain Dashboards on the left side.

### Component Storage #3

Place the Gauntlet Box on top of the Token Box.

#### **Component Storage #4**

Place the remaining Miniature Racks in the box. Make sure the Miniature Rack containing the Heroes is facing to the outside of the box.

### **Component Storage #5**

Place the rule books and remaining components on top.

### Component Storage #6

Next, take the **base game box** and place three Card Boxes and one of the Location Boxes like shown in the picture.

Make sure you are using the Card Boxes **WITHOUT** supports.

### Component Storage #6

Next, take **any expansion box** and place three Card Boxes and one of the Location Boxes like shown in the picture.

Make sure you are using the Card Boxes **WITH** supports.
