Ability Token Box

Just insert all Ability Tokens in alphabetical order.

Clip On Bases Box

Clip On Bases are separated by color and size.

Traps Box

The big stone ball needs to be stored within the very right tray. There is no special order for the order traps. However, it is recommended to remove the plastic strand from the models, before storing them in the box.

Dice Box

All trays have the same size, so feel free to store the dice however you like it.

Small Cards Box

1. Villager Spawn Cards
2. Village Event Cards
3. Trap Cards

Big Cards Box

Place as many Town Hero Cardboard Tokens in the left tray. Place the remaining ones in the right tray. Then place the Town Hero Cards in the right tray on top of the Cardboard Tokens.

If you are using card sleeves, you might want to place the Cardboard Tokens on top of the cards – so the cards won't fall out.

Token Box 1

1. Room Condition Tokens
2. "3" Damage Tokens
3. "3" Experience Tokens
4. Ranged Tokens
5. Melee Tokens
6. Slow Tokens
7. Damage Tokens
8. Experience Tokens
9. Retaliate Tokens
10. Magic Tokens
11. Darkness Tokens
12. Defence Tokens

Token Box 2

1. Villager Spawn Tokens
2. Sunder Tokens
3. Type Tokens
4. Burn Tokens
5. Objective Tokens
6. Day & Night and First Player Token
7. Unlucky Tokens
8. Silence Tokens

Map Tile Box 1

Place the small square-shaped tiles in the left tray.

Place the rectangle-shaped tiles in the recessed tray on the right.
Then place the L-shaped tiles on top.

Map Tile Box 2

Place the cross-shaped tiles first, and then place the big square-shaped tiles on top.

Peasant & Hunter Miniatures Box 1

Place all Peasant & Hunter Miniatures with eight miniatures and a small base in this box. The ones holding a bow should be placed in the single, long tray. All other trays are having the same size and require no special placement.

Peasant & Hunter Miniatures Box 2

Place the eight Peasant & Hunter Miniatures with a big base in the top tray. Place the remaining Peasant & Hunter Miniatures with six miniatures in the three bottom trays.

Monster Miniatures Box

Place all Monster Miniatures in the tree trays. There is no specific order. Some of the miniature's bases might overlap – please make sure that Baykok's base is not overlapping, otherwise his weapon might get damaged.

Town Hero Miniatures Boxes

Place all Town Hero Miniatures in the two boxes. There is no specific order. Some of the miniature's bases might overlap – please make sure that Celt Town Hero's base is not overlapping, otherwise his weapon might get damaged.

Troll Miniature Box

Place the troll like shown in the picture.

Component Storage #1

Before starting, make sure to stack together the following boxes: Token Boxes, Map Tiles Boxes, Monster Miniature Boxes and Town Hero Miniature Boxes.

Then place the Ability Token Boxes like shown in the picture. Make sure, that the tokens are facing each other.

Component Storage #2

Place the stacked Town Hero Miniatures Boxes, the Peasant & Hunter Miniatures Box 2 and the Dice Box like shown.

Component Storage #3

Place the stacked Map Boxes on top of the Miniature Box and the Dice Box.

Component Storage #4

Stack the Peasant & Hunter Miniatures Box 1 with the Monster Miniatures Box and place it like shown in the game box.

Component Storage #5

Place the Troll Box in the remaining space. When removing boxes, start with the Troll Box.

Component Storage #6

Get one of the expansion boxes, and place the Token Box inside.

Component Storage #7

Place both Card Boxes in the expansion box.

Component Storage #8

Place three Monster Dashboards and the Game Overview Tile on top of the boxes.

Component Storage #9

Get a second expansion box and place all remaining Monster Dashboards inside.

Component Storage #10

Get a third expansion box and place the Trap Box and the Clip On Bases Box inside.

Component Storage #11

Finished!
