WE CREATE LEGACIES AROUND THE OLIVE TREES

SHARE #WATERLESS BEAUTY. HOST A GLOW WORKSHOP.

A OLIVE TREE PEOPLE Glow Workshop is more than a party. As a Host, you have the opportunity to share waterless skin care and ingestibles with your friends and loved ones. To thank you for spreading our mission to heal the world with the power of our mountain olive trees and bring waterless skin care products into the hands of everyone, we're giving out gifts.

As soon as your Glow Workshop brings in at least two orders totaling \$250 or more, Hosts are eligible to order one full-size product at half off. As the sales increase, the gifts become free.
