### Instructions

#### STEP 1 Prepare the projectors

Video: [https://youtu.be/kxflf-slp\\_w?t=129](https://youtu.be/kxflf-slp_w?t=129)

Please check the video to see how to mount the bracket and the included hardware to the bi-led projectors.

You need the following hardware:

8 x M4 machine screw

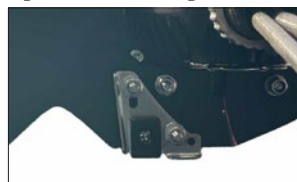

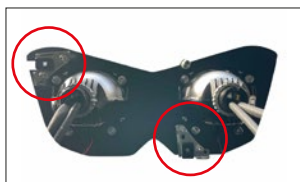

16 x M4 nut

8 x M4 washer

The 8 pcs M3 screws are used to mount the shrouds to the projector.

#### STEP 2 Mount the leveling brackets

Not included in the kit, these are re-used from your headlight.

You need the following hardware:

4 x M4 10mm threaded spacer

4 x M4 6mm machine screw

4 x M4 nuts

4 x M4 washers
