Naturally derived cosmetics.

Each of our formulations is designed to prevent ageing.

Everything you need to nourish your beauty is here.

---

For all skin types, even the most sensitive and delicate.

### Hyaluronic Elisir + Vitamin C

2.3 Face serum with three molecular weights of hyaluronic acid, high concentration of vitamin C in stable form and an exclusive restorative complex. Ideal for moisturizing and smoothing the complexion.

### Recovery Serum

2.4 Night face serum, combines effectiveness and comfort by restoring the skin's natural defenses during the night. A mix of 99.4% naturally derived ingredients, chosen and dosed to create a truly innovative elixir.

### Retinol Serum

3.3 A highly concentrated serum enriched with 2% retinol microcapsules that promote the gradual release of retinol activity, making it stable over time. Retinol works to firm the skin and reduce the formation of fine lines and wrinkles, thus promoting smoother, younger-looking and more radiant skin.

### Pure Collagen

1.0 Pure active collagen, it hydrates the skin by acting on expression lines and wrinkles.

### Pure Azelaic

1.1 Active complex of azelaic acid and glycine amino acid which acts on the hyperproduction of sebum and on skin imperfections. Even out, hydrates and tones the skin giving it a luminous appearance. Ideal for oily and impure skin.

### Hydra Face Cream

2.0 Algae-based gel cream with Vitamins C and E. Moisturizes and rebalances the skin with extraordinary freshness. Provides brightness and a feeling of comfort to the skin.

### Hydra Eye Cream

2.2 Delicate algae-based cream-gel for eye. Hydrates, giving to the complexion an extraordinary brightness. Day after day the gaze brightens and appears less tired and fatigued.

### Cleansing Water

2.5 Delicate micellar water of the latest generation that cleanses, hydrates and removes make-up in a single gesture. Thanks to extract of the organic pomegranate, red seaweed, damask rose water and witch hazel, it eliminates impurities and make-up by acting on dilated pores. Ideal for daily cleansing of the face, eyes and décolleté.

### Hydra Face Mask

2.8 Face mask cream based on algae, tapioca and extracts of grapefruit, orange and peach. From the first application the skin appears fresh and radiant.

### Lift Face Cream

3.0 Crema viso morbida a base di acido ialuronico, collagene marino e burro di monoi. Contrasta il precoce invecchiamento cutaneo grazie alla sua azione anti-age con effetto lifting.

### Tonic Lotion

3.1 Tonic lotion spray with hamamelis water, calendula, chamomile, aloe and ginseng extract. Moisturizing, remineralizing and refreshing action. Ideal for combination and impure skin.

### Lift Eye Serum

3.2 Face serum specific for the delicate area of eye contour with peptide and ginseng extract. Lifting action, ideal to contrast effects of time.

### Nourishing Face Cream

3.4 Face cream with a creamy texture based on avocado, jojoba and precious biological oil of argan. A special anti-aging formula that gives elasticity, tone and long hydration to your skin.

### Cleansing Cream

3.5 Delicate cleansing cream with argan, mallow and oat extract. Remove impurities and make-up from face and eyes without drying the skin.

### Green Face Mask

3.8 Face mask cream with hyaluronic acid, algae, lactobacillus, soy and avocado oil for a moisturizing, anti-oxidant, toning and elasticizing action.

### Gentle Organic Shampoo

5.0 Delicate shampoo with organic extracts of camomile, calendula, lemon and red algae. Enriched with aloe juice. Gently cleanses giving deep nourishment. For frequent use. Ideal for children's delicate hair and for the whole family.

### Repair Shampoo

5.1 Shampoo based on marine collagen, keratin and panthenol. Enriched with argan and ginseng extracts that protect and strengthen the hair from the roots by stimulating its growth. Gently detangles giving deep hydration and new vigor. Ideal for dry and damaged hair from blow-drying, perms and dyes.

### Purifying Shampoo

5.2 Shampoo with organic extracts of rosemary and burdock, enriched with thyme essential oil for cleansing. Deep cleansing without irritating the scalp. Ideal for greasy hair and useful to contrast dandruff.

### Repair Conditioner

5.4 After shampoo balm based on precious vegetable oils of argan, shea and panthenol enriched with vegetable extracts of honey, lemon and ginseng with restructuring, strengthening and detangling properties. Gives shine, body and volume. Ideal for dry, treated and damaged hair from dyes and perms.

### Extreme Repair Hair Mask

5.5 Mask based on coconut and jojoba oil, almond proteins and vitamin E. Nourishing and regenerating properties. Ideal for dry and dull hair. Gives softness and shine.

### Purifying Face Cream

8.0 Face cream formulated with burdock, lavender and licorice extract. It offers an intense soothing action and a purifying and mattifying effect. Ideal for problematic skin, it helps tighten and refine pores.

### Hand Cream

An ultra-nourishing, repairing and firming formula for hands and nails thanks to the active ingredients of cupuacu and shea butter, urea, Vitamin F and E with an enveloping fragrance.

### Soap

6.0 Alkemy organic liquid soap gently cleanses the skin of hands, face, intimate parts and body. Its special 99% natural allergen-free formulation is ideal for all skin types, even for the most sensitive and delicate ones of children, avoiding redness, itching and dryness.

### Cleansing Peeling

8.1 Enzymatic face peeling gel with micro-granules of kernel, orange and mandelic acid. Gently removes dead skin, without irritating and brightens the facial skin. Ideal for enlarged pores, skin discoloration, acne and impure skin.

### Hygiene Spray

Cleansing hygiene spray for hands. Use: spray on hands and rub. Quickly dries without sticking. With 4% aloe vera extract. Pleasant musk scent.

### Gentle Bath Shower

6.1 Gentle nourishing shower gel designed for sensitive skin. The combination of three plant extracts of grapefruit, dog rose and argan cleanses the skin, leaving it scented with a precious fresh and floral note. Moisturizing, emollient, relaxing. Ideal for the whole family.

### Purifying Face Mask

8.3 Face mask formulated with extracts of green algae, red algae, brown algae, clay and allantoin for a purifying, moisturizing and mattifying combination. Ideal for reducing and tightening enlarged pores.

### Home Fragrance Magnolia

The Magnolia room diffuser is the perfect choice for creating an enveloping and refreshing atmosphere in your home. Its elegant design blends harmoniously with any room, while the porous wooden sticks absorb the magnolia essential oil and slowly diffuse its delicate fragrance into the surrounding air.

### Karité Shower Oil

6.2 Detergent oil with shea butter. A soft creamy foam that gently cleanses dry skin, leaving it smooth and velvety. This product is also useful as a shampoo for dry or frizzy hair or in case of itchy scalp to locally treat cradle cap in infants and children. Ideal for all the family.

### Sun Oil

A mix of five vegetable oils: Coconut, Argan, Avocado, Baobab, Buriti and Vitamin E protect the skin from aging thanks to the activity of UVA-UVB sun filters. This spray sun oil, gives a quick tan and a natural color. Ideal for face, body and hair. Leaves no traces.

### Home Fragrance Salt

The Salt room diffuser is the ideal choice for creating an enveloping and purifying atmosphere in your home. Its elegant design fits perfectly in any environment, while the porous wooden sticks absorb the essence of salt and slowly diffuse its purifying fragrance into the surrounding air.

### Karité Oil

6.3 Pure shea oil for face, body and hair with an emollient, nourishing and elasticising action. Excellent for treating dry and dehydrated skin. It prevents stretch marks during pregnancy, reduces the appearance of wrinkles and protects the delicate skin of children, giving relief to the most problematic skins. Reduce scars appearance. Useful for eliminating scales from the scalp; distributed on the hair, it nourishes them and protects them from the sun and sea water.

### Eye-Biobotox

Innovative eye mask in 100% lyocell, an ecological biodegradable fiber with high hydration capacity. Formulated with Acmella Oleracea extract which penetrates the deepest layers of the skin, reducing and smoothing out wrinkles. Effective and immediate plumping, filling and lifting effect. Delicate on the skin, extremely adherent and invisible.

### Karité Butter Scrub

6.4 Natural scrub with shea butter, moriche palm, argan and almond oils, combined with the pods of the Amazonian palm fruit Astrocaryum Murumuru. Gentle exfoliant effect to remove dead skin.

### Hyaluron Plumping Face Mask

100% natural cellulose face mask based on hyaluronic acid with a plumping effect and a complex of peptides that reduce the depth of wrinkles with an anti-aging action. The skin appears rejuvenated and wrinkles are reduced.

### Body Balm

6.5 Body balm formulated with pure shea butter enriched with precious baobab and argan oils for soft and smooth skin. The light and fresh texture enriched with floral notes moisturizes, tones and refreshes the senses, giving the skin comfort and sweetness with a pleasant velvety effect.

### Collagen Moisturizing Face Mask

100% natural cellulose face mask based on marine collagen, active ingredient ideal for the first signs of aging, wrinkles and sagging skin. It helps to smooth the skin giving it firmness, tone and elasticity.

### Karité Butter Cream

6.6 Natural cream based on shea butter, argan oil and almonds. It nourishes, softens and deeply and gently repairs the skin of the whole body. A quick help for dry and dehydrated areas such as hands, feet, legs, elbows and knees. Hydration with immediate effect.

### Biobotox Lifting Face Mask

Face mask made of lyocell, an innovative biodegradable ecological fiber with high hydration capacity, formulated with Acmella Oleracea extract. Provides an effective and immediate plumping, filling, and lifting effect.
