Betula pendula (27×20 cm) 912536

SQUARES

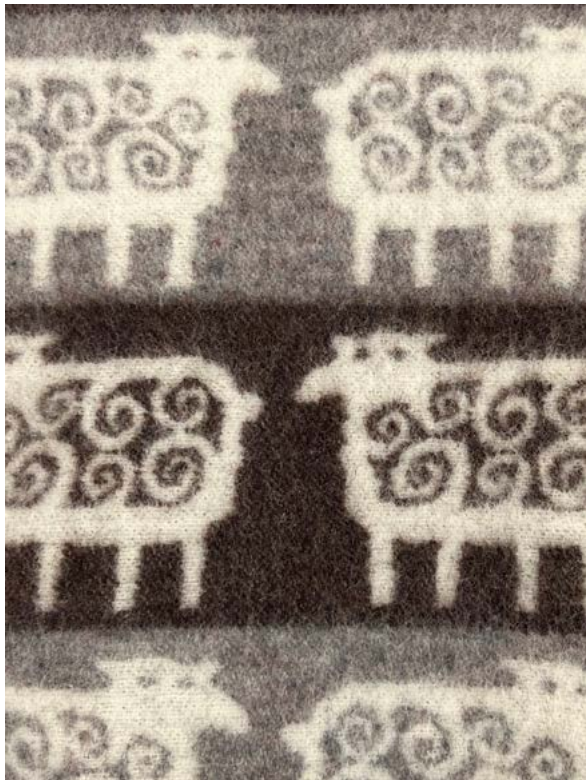

napkin holder, mild steel, (h29.7, w25.3 cm)
Black 910705

Sheep 30 years anniversary

Thirty years ago, the sheep was born in a sketch pad. We celebrate this by redesigning our sheep blanket in recycled wool together with Klippans Yllefabrik. In addition to the blanket, we also have trays, a cutting board and a new napkin holder in black and white.

Warm greetings
Bengt & Lotta
