SUSTAINABLE LIFE

## About Us

**ECOZOE** is a start-up brand dedicated to Sustainable FMCG products to replace Single Use Plastic products, with local availability at an affordable price. Each and every ECOZOE product is either - Biodegradable, Sustainable, Eco-friendly, Organic or Recyclable.

**ECOZOE** has a wide range of products covering edible and biodegradable straws, cups, disposable tableware, kitchenware, edible and biodegradable cutlery, meal trays and containers, shopping bags, garbage bags, hotel consumables etc.

**ECOZOE** products are made from natural plant based or agri crop based raw materials with very high quality and with certifications like FDA, USDA, HACCP, HALAL, VEGAN, FSSAI, GMP and many more, as applicable.

To Summarise, **ECOZOE** is our effort to provide full range of sustainable environment friendly and life friendly products at affordable prices to the masses.

## Comparison with Paper Cups

### Paper Cups

- Softens easily
- Use of Gluing agent
- Plastic coating
- Must be recycled industrially, zero waste not possible
- Takes time to biodegrade

### BioCups

- 100% natural raw material
- No use of any gluing agent
- No plastic coating
- zero waste possible by composting
- Easily biodegrades
