Thank you for choosing ARZOPA digital photo frame!

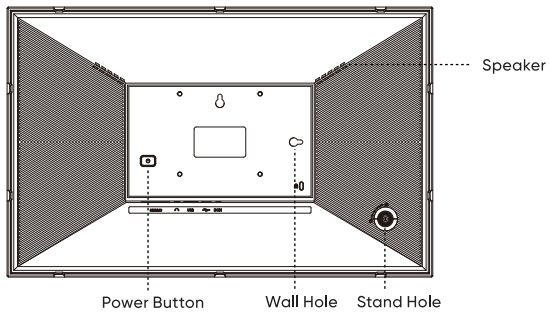

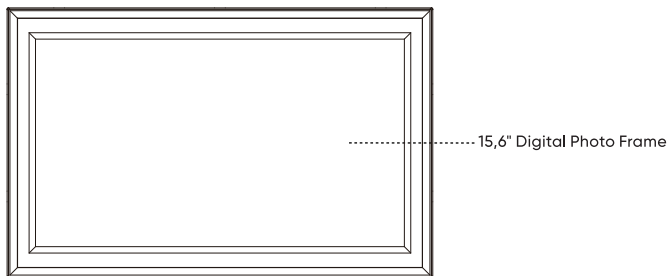

After setting up the frame, you can invite your family or friends to connect to it and share to the frame.

Please check out our "Frameo Tutorials" on Youtube where you can learn how to get started with Frameo.

Please scan the QR code below to find the playlist

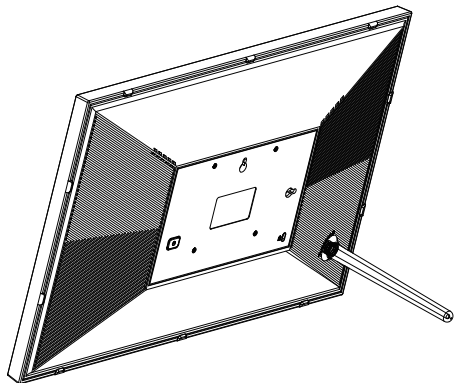

Frame Introduction

Start Setup

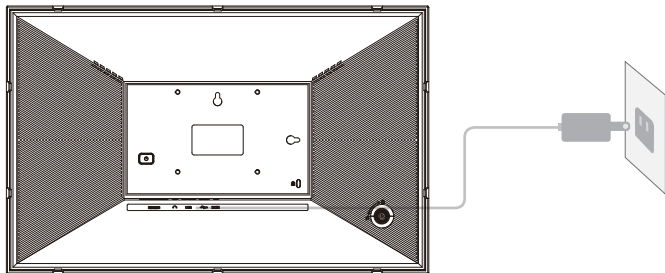

Step 1

Insert the stand into the hole on the frame

Step 2

Insert power cord firmly

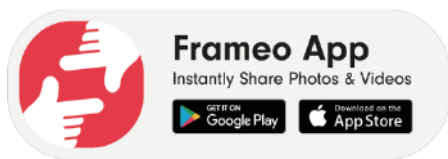

Step 3

Set your frame, language, Wi-Fi, frame naming, time zone, etc.

Step 4

Download and install FRAMEO APP in App Store(IOS) or Google Play(Android)

Scan code to find the app

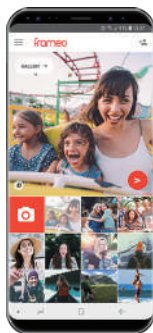

Now you can invite your family and friends to share photos to your frame!

Step 1 Connecting a new friend

1. Download and install Frameo APP
2. Click the add friend icon to show a sharing code (valid for 12 hours)
3. Share the code to your friend
4. Enter the code via Frameo APP

Step 2 Send Photos/Videos to The Frame

1

Take a picture or
choose from your
gallery

2

Choose one or
more recipients

3

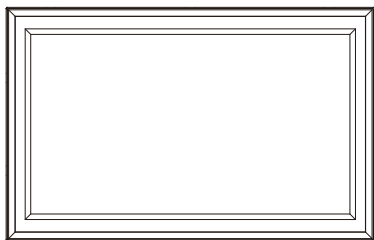

Set the scene with a
caption

4

Choose the right
part and send it
