

Beginner Sewing Machine Class

Supplies:

Your machine in good working order.

Machine Manual

Needles - You may want to try a variety of kinds to see what the difference is in stitching. A universal is fine for the beginning.

Scissors

Seam ripper

Snips

Thread

Empty Bobbins.

All feet for your machine.

Any specialty feet. If there are feet that you want to know how to use, please let me know.

Kit (you can pick up from the store or have the following ready from your stash)

Fabric cut into pieces.

(8) 5" x 8" This can be cotton or polyester.

(1) 5" x 8" Stretch fabric (stretch going the long way)

1 zipper - 8 – 10 inches

(1) 2 -hole button and buttonhole attachment for you machine.
